

EMIS Change 26-21

This change removes the Preschool Poverty Level Element from the Student Attributes – Effective Date (FD) Record. The element was used for the Early Childhood Education (ECE) Grant. As ECE has transitioned to the Department of Children and Youth, this element is no longer needed in EMIS reporting.

SECTION 2.5: STUDENT ATTRIBUTES–EFFECTIVE DATE (FD) RECORD

Required Collections

The Student Attributes–Effective Date (FD) Record and the relevant elements are to be reported as follows.

Record Field Number	Data Element	S Traditional			S CS/STEM	
		Initial	Midyear	Final	Initial	Final
FD120	Preschool Poverty Level		✓	✓		✓

☀ Disadvantagement Element

Record Field Number	FD110
Definition	Identifies the student who meets the definition of economic and/or academic disadvantagement.

Reporting Instructions. A change in this element requires that the current FD Record be closed and a new record opened with appropriate Effective Start and End Dates. Therefore, a student may have multiple values for this element in the course of a school year. Note that the correction of an error does not constitute a “change” in the value of this element. As long as the correction represents the true value for a student as of the Effective Start Date on the record, an update to the value should be made without closing/opening a new record.

This element must be reported for all students in grades PS-12 and should indicate if the student meets the definition of Economic Disadvantagement, or in the case of career-technical students meets the definition(s) of Economic and/or Academic Disadvantagement.

~~If a district’s reporting for the Preschool Poverty Level Element indicates poverty for a student, then the Disadvantagement Element should be reported with an option other than “*”.~~

☀ Preschool Poverty Level Element

Record Field Number	FD120
Definition	The poverty level of the preschool student’s family, as determined by Federal Poverty Guidelines.

Valid Options

~~A — 0-100%~~

- ~~B — 101-125%~~
- ~~C — 126-150%~~
- ~~D — 151-175%~~
- ~~E — 176-185%~~
- ~~F — 186-200%~~
- ~~G — 201+~~
- ~~J — Court ordered protective custody~~
- ~~N — Not a preschool student~~
- ~~P — Parent income information not requested or provided~~

~~Reporting Instructions.~~ This element may change between the first and last day of the school year. If this occurs, the current FD Record must be closed and a new FD Record opened. Changes in this element between school years do not require the FD Record with the prior value to be closed and a new FD Record opened, but districts may choose to do so if this approach is easier for the district's software to implement.

Note that the correction of an error does not constitute a "change" in the value of this element. As long as the correction represents the true value for a student as of the Effective Start Date on the record, an update to the value should be made without closing/opening a new record.

This element is used for Early Childhood Education (ECE) Grant funded students. Family income only needs to be identified for this element if the preschool student is ECE funded, with the few exceptions defined in the ECE Grantee Manual. For information on determining family income, refer to the ECE Grantee Manual (search for "ECE Grantee Manual" on the Department's website). If the preschool student is *not* ECE funded, option P can be reported.

~~Option J.~~ Report this option if the student has a case plan or family service plan as defined in ORC §2151.412 or if the student is placed in Kinship Care as documented through Kinship Permanency Incentive Program payments.

~~Option N.~~ Report this option whenever the student is NOT enrolled in preschool.

~~Option P.~~ This option can be reported for:

- ~~• A preschool student whose education is not supported by state funds.~~
- ~~• A preschool student with a disability enrolled in either a state funded Early Childhood Education program or in at state funded Preschool Special Education center based unit.~~

~~A preschool student whose family is experiencing homelessness as defined by the McKinney-Vento Act and has that status reported on the Homeless Status Element (FD150).~~
