

EMIS Change 26-82: Removes CTE college credit element
Public Comment open from May 15 through June 13

EMIS Change 26-82

This change removes the CTE College Credit Element from the Course Master (CN) Record.

May 15, 2025, update: The position number for the Filler line in the File Layout was incorrect in the original version of this document. It has been corrected below. The update is marked in yellow.

SECTION 4.2: COURSE MASTER (CN) RECORD

~~CTE College Credit Element~~

Record Field Number	CN300
Definition	Indicates if a career technical course provides an opportunity for students to earn college credit.

~~Valid Options~~

- ~~N~~ — ~~No, the course is not a CTE College Credit Course (default)~~
~~Y~~ — ~~Yes, the course is a CTE College Credit Course~~

~~**Reporting Instructions.** This element is only reported with a non default value for Career Technical courses that meet the definition of this element and some type of formal agreement exists between the district and the college that indicates the course is eligible for college credit (e.g., dual/concurrent enrollment, articulated credit, Career Technical Credit Transfer (CT2)). The value in this element will be used in the calculation of one of the performance measures for CTE programs related to courses that earn both high school and college credit.~~
