

EMIS Change 27-44

This change updates the list of “R_” attribute names to match the list of Department-approved materials for ELA core curriculum and instruction and reading intervention. This change also adds a third column to the valid options list. This third column indicates whether the product has been approved for ELA core, reading intervention, or both.

SECTION 5.3: ORGANIZATION GENERAL INFORMATION

District Group

Attribute Name	Attribute Text	Attribute Number	Attribute Date
R_<varies> (See list below)	Type, Status, Grade level	0000000000	00000000

The “R_” attribute names are used to report the core curriculum and instructional materials being used for English language arts in each of grades pre-kindergarten through five and the reading intervention programs being used in grades pre-kindergarten through twelve.
