Good morning,

I recommend you review EMIS Change 27-54 for further clarification.

Subject: Re: Proposed EMIS change 27-27

It was very helpful for the reason to be added for the RD this year; students who are, for example, nonverbal or not reading at all, cannot accurately be tested. If this reason is going to be removed, documentation for how to test those with significant disabilities is needed (as was done for dyslexia testing).

Thank you.
