EMIS Release Notes – Updated Manifest

Collection Request Name: Spring End of Course Assessment Collection (FY24)

Description of Change: Added vendor results to the Missing Report. Activated the Supplementary Report.

Planned Availability Date: 6/7/2024

Version Number: 2

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** N/A
- **Replacing any data already submitted to ODE with a new submission?** No

"Updated Version Requires" Additional Information: Prior to this version, all students on the missing report had a Missing Reason of "Enrolled in test window". With this version, the Missing Reason includes "Has vendor test results," "Enrolled in Test Window and has vendor test results," or "Has vendor test results." The Supplementary report contains students not on the missing report. Districts are expected to confirm that these students should be reported. If they are not to be reported, they should be removed before submitting the data.
