# EMIS Release Notes – Updated Manifest

**Collection Request Name:** Financial Collection (FY25)

**Description of Change:** New fatal validation (QC.0023) added that prohibits a submission without valid Expenditure Record(s).

**Planned Availability Date:** 7/28/2025

**Version Number:** 3

**Updated Version Requires:**

- **Starting a new/restarting the current collection of data?** For some EMIS reporting entities
- **Running a new prepare of the collected data?** For some EMIS reporting entities
- **Replacing any data already submitted to ODE with a new submission?** For some EMIS reporting entities

**"Updated Version Requires" Additional Information:** None

**Enhancements:** None

**Known Issues Resolved:** None

**Outstanding Issues:** None known

**New or Updated Level 1 Validation:** Adds fatal validation QC.0023, which is an error that gets written out if a submission does not contain valid Expenditure Records.  All other record types reported will show as a dependency errors, and as a result the Certify and Submit link will not appear.  Expenditures must be included in every Financial Collection submission.

**New or Updated Reports:** None
