

EMIS Release Notes – Updated Manifest

Collection Request Name: OELPA Assessment Collection (FY24)

Description of Change: Added new Level 1 validation. Added new Level 1 summary report.

Planned Availability Date: 7/22/2024

Version Number: 3

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** No

“Updated Version Requires” Additional Information: Districts should review the Submission Message column of the new Percentage of Alternate to Regular OELPA report for “Warning! Percentage of OELPA-ALT to OELPA regular is higher than the norm-1%” and review their submission to ensure that OELPA-ALT test records with FY24 spring administration dates are not being over-reported. The review is only recommended when that exact message appears. Records with prior year administration dates are excluded from the counts appearing in the report.

Enhancements: None

Known Issues Resolved: None

Outstanding Issues: None known

New or Updated Level 1 Validation:

- Added critical validation FA.1040 'Mixture of OELPA-ALT and OELPA-Standard being reported' to be generated when OELPA regular test records and OELPA-ALT test records are reported for the same student with current spring administration dates. Records with prior year administration dates are excluded from this validation error.

New or Updated Reports:

- Percentage of Alternate to Regular OELPA
