

Postsecondary IRNs

These IRNs are used when districts are participating in postsecondary enrollment. An IRN from this list may be used as the Attending/Home IRN, though would never be used as the district of residence. Also, it should be noted that this list comprises a listing of postsecondary institutions that are accredited by the Ohio Board of Regents and who possess an IRN. Some of the listed institutions may not actually participate in any postsecondary program with a public school district.
