Positive Behavior Intervention Support (PBIS)
Overview

- Framework to use behavioral intervention and support to help reduce discipline issues
- Schools are required to reach at least full implementation by the 2022-2023 school year
- New IRNs are required to reach the installation (C) stage or higher in their first year
  - Initial (D) implementation in their second year
  - Full (E) implementation in their third year
- Non-graded measure on the report card
PBIS Implementation Stage

• Reported in EMIS with Organization – General Information (DN) Record attribute of PBISIMPSTG
  – By traditional districts, community schools, STEM districts
  – For every building
  – For all grades, including preschool
  – In Midyear, End of Year, SOES End of Year Student (S) Collections

• Option to indicate which stage each building is at

• Option to indicate number of months in the reported stage as of last day of school
PBISIMPSTG Valid Options, 1

• A – Work on implementing has not yet begun
• B – Exploration and Adoption
  – Researching, exploring readiness, and securing staff and administration agreement to implement
• C – Installation
  – Creating team, completing training, establishing initial systems, data-decisions, policies, and practices required to implement
• D – Initial Implementation
  – Rolling out and implementing schoolwide, focus on Tier I supports
PBISIMPSTG Valid Options, 2

• E – Full Implementation
  – Implementing with all systemic components and a range of interventions (Tier I, II, and III supports)

• F – Innovation and Sustainability
  – Implementing with all systemic components and a range of interventions (Tier I, II, and III supports) beyond 1 year
  – Demonstrating routine annual reviews for implementation with fidelity using the Tiered Fidelity Inventory, using results to update and modify practices as needed

Discipline and Special Education
Disproportionality in Discipline

• Occurs when students with disabilities from one racial group are disciplined at significantly higher rates than all other students with disabilities

• Categories used for profile calculations
  – Out-of-school suspensions and expulsions of 10 days or fewer
  – Out-of-school suspensions and expulsions of more than 10 days
  – In-school suspensions of 10 days or fewer
  – In-school suspensions of more than 10 days
  – Total disciplinary removals
Indicator 4

• Measures discipline discrepancies between students with disabilities and students without disabilities

• Categories used for profile calculations
  – Out-of-school suspensions and expulsions of more than 10 days
Special Education Manifestation Determination (SEMD)

• Required when the educational placement of a student with a disability is changed due to discipline
  – More than 10 consecutive days
  – Series of removals that constitute a pattern that totals more than 10 cumulative days in a school year

• Must take place within ten school days of change of placement decision to determine if conduct was
  – Caused by, or related to, the child’s disability
  – Direct result of IEP implementation failure
Reporting SEMD in EMIS

Student Special Education (GE) Record

– Date Type (GE100) = SEMD
– Date (GE110) = The date the manifestation determination was completed for the related incident of misconduct
– Non-Compliance ID (GE130) = **
– Outcome ID (GE120) = ****

Training Evaluation

Your evaluations of our trainings are now being collected via an online form. This will give us access to better, more immediate feedback and statistics about these trainings, which will allow us to be even more responsive to your input. This will also be easier for you as you will no longer have to email anything to us.

After completing the evaluation and clicking submit, you will see a message thanking you for your feedback and acknowledging your attendance at a training. If this is information you need, be sure to capture or print the page and retain it for your records. Once the evaluation period for the session ends (2 weeks after the final session), you will no longer be able to submit a response or receive an attendance acknowledgement. *Note that this is the only way to receive this acknowledgement. We will no longer be emailing this information to participants.*
