SSID DEACTIVATION

SSID Deactivation

▶ Why?
  ⇾ Two unique SSIDs exist for the ***same student***

▶ When?
  ⇾ As soon as issue is discovered
    ‣ Waiting until an appeal process may greatly limit window of opportunity

▶ How?
  ⇾ Sign in to IBM's SSID System
  ⇾ Click on ***Delete an Invalid SID Record*** link under 'Maintenance'
    ‣ Associated active valid SSID and deactivation reason required

Ohio | Department of Education

SSID Deactivation, General

When two unique SSIDs exist for a student
- General rule is to deactivate the *new* SSID and link to the *old* SSID
  - This applies prior to the student being assigned to a graduation cohort
- The exception to this rule applies after a student has already been assigned to a graduation cohort
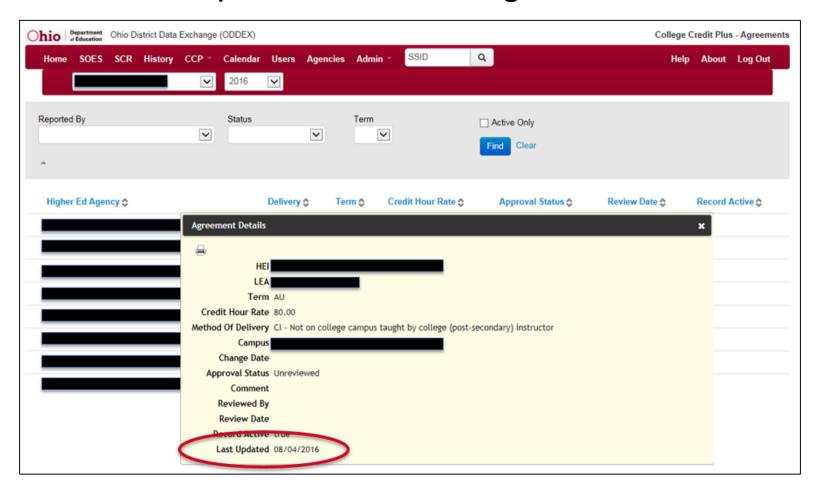

SSID Deactivation, Exception

▸ When a district's Longitudinal Grad Rate Report includes the SSID for a student who did not graduate from that district

  ⤷ Confirm with the Withdrawn To district that student enrolled and was assigned a new SSID, which was reported to EMIS

  ⤷ Deactivate *old* SSID and associate it with *new* SSID

▸ Deactivation process occurs at IBM website

▸ Cohort reassignment occurs at ODE based on IBM file of deactivated SSIDs

ODDEX UPDATES

Ohio | Department of Education

CCP Agreements Enhancement

Added "Last Updated" date to Agreements Detail

SCR Enhancements

▸Import process will now include Summer Withdrawal (FL) record
