Student Cross Reference (SCR)

▸ SCR and other Student Collections should be performed at the same time
- ⬩ Two independent collections

▸ SCR conflicts do *not* affect funding
- ⬩ EPCT is only exception
- ⬩ All others can be ignored once verified

▸ Data updated nightly based on most recent submission

▸ Time stamp added to Audit History

STIC/RFIC Checks

▸STIC/RFIC known issues discussed in January ongoing

▸Error corrected with latest release

    ⇥Problem with RFIC and STIC checks causing conflicts to be generated in error

    ⇥Impacted students withdrawn prior to start of school year

Ohio | **Department of Education**

SCR Future Enhancement

▶ Ability to mark conflicts as 'Reviewed'

- ⟫ Hide from grid display
- ⟫ Indicator shows there are hidden conflicts
- ⟫ Conflict again visible if data updated and conflict remains

▶ Add additional selection

- ⟫ By Conflict code

SOES Update Process

▸SOES Student data updated nightly based on most recent EMIS submission

▸SOES Contact data
  ⇾ Forwarded to SSDT
  ⇾ Merged with Student data
  ⇾ Refreshed nightly

▸Derived enrollment date
  ⇾ Latest of the FS effective date, FS admission date, or DL first day of school

SOES Changes

▸Contact data update process modified

    ↳District submits new contact data

        ▸Student with a single Derived Enrollment record

        ▸Student moves within same resident district

    ↳Most recently submitted contact data applied

▸Time stamp added to Audit History

College Credit Plus (CCP)

▶ Updated manually

▶ Data load status
  ▸ FY16 – not complete
  ▸ FY17 – ongoing

▶ Agreements now has export capability

▶ Updated data from the college will cause 45 day review period to reset

Additional Enhancements

▶Adding Special Ed History

▶Adding Assessment History
