Known Issues Resolved:

- Some districts who reported an EOC assessment for Algebra I with the value ALG in Assessment Area Code (FA205) were in the missing report as missing. The logic has been fixed to recognize ALG as a value for reporting Algebra I.
- Some districts who reported an EOC assessment for Algebra I with the value ALG in Assessment Area Code (FA205) were in the Unexpected report. This has been fixed.
- American History and American Government (HIST, GOVT) was previously listed as missing whenever these assessments were being reported. This had been fixed.
