

EMIS Release Notes- New Collection Request

Collection Request Name: Five Year Forecast - Initial Required (FY17)

Collection Request Description: Collection required for all city, exempted village, local, and joint vocational school districts. Five year forecast is a financial projection which consists of three years of historical data, projections for the current year and four ensuing years, the ADM forecast, and a summary of key assumptions. This collection request is for the initial school year submission, required by October 31 each year. Source file(s) for the QF and QN record types must be uploaded through the Data Collector Data Sources tab using the formats described in sections 7.2 and 7.3 of the EMIS manual.
