

EMIS Release Notes- New Collection Request

Collection Request Name: Spring Alternate Assessment Collection FY17

Collection Request Description: Collection is required for any entity that administered alternative assessment for either grades 3-8 or high school. Source file is the FA record type labeled with the A data set. Data must be uploaded in EMIS manual format through the Data Collector Data Sources tab. All FA assessment types can be included in upload file, but only the ALT format of the grades 3-8 or high school assessments will be reported to ODE and appear in the Student Assessment Records (FA) preview.

Collection Request Short Name: FY17-A-Alt Assess

Manifest Code Name: 2017AALTS

Collection Request Planned Release Version: 1

Planned Availability Date: 6/9/2017

Submission Date Range: 6/9/2017 - 7/28/2017

Organization Types That Must Report: Traditional, Community School, STEM districts, and state supported organizations.

Major Change from Prior FY Version? Exclusion reports updated; error checks updated

Data Sources Supported: FA Flat file

Level 1 Reports Included: Counts of Assessment Records Excluded, Excluded Student Assessment Records. Counts of Assessment Records Excluded is a cross tab report containing counts of records excluded with row and column totals. The row totals are counts of exclusion reason by assessment type; the column totals are counts of exclusion reason in all assessment types. Excluded Student Assessment record is a new report that contains a raw dump of each excluded record and its associated exclusion reason.

Level 2 Reports Included: None

Outstanding Issues: Collection will appear for JVSDs, but JVSDs do not report these assessments.

New or Updated Level 1 Validation:

Error #	Description of Change
FA.1002	Fatal check occurs when multiple scores for the same assessment are being reported. The assessment will have the same: EMIS Student ID (FA050) Assessment Type Code(FA060) Test Grade Level (FA200) Assessment Area (FA205)
FA.0016	'Invalid Score(FA240)' fatal check occurs when a numeric score is not within the range of valid scores allowed for the assessment.
FA.0017	'Invalid Score(FA240)' fatal check occurs when a non-numeric score is not within the range of valid non-numeric scores allowed for the assessment.
FA.0018	'Invalid Score(FA240)' fatal check occurs when a non-numeric score is being reported and valid values are not found.
FA.0019	'Invalid Score(FA240)' fatal check occurs when a numeric score is being reported and valid values are not found.
FA.0001	Existing fatal for 'Invalid Option (FA220) has been enhanced to occur if the Student Grade Level at time of Test is not correct for the grade level of the assessment administered.

Release Note Date: 6/9/2017
