

EMIS Release Notes- Updated Manifest

Collection Request Name: Midyear Student Collection (FY18)

Description of Change: Updated two Level 1 validations, added two Level 2 reports, and corrected an issue with the FB record. See below for more details regarding the changes.

Planned Availability Date: 4/12/2018

Version Number: 6

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** For some EMIS reporting entities
- **Replacing any data already submitted to ODE with a new submission?** N/A

“Updated Version Requires” Additional Information: N/A

Known Issues Resolved: Removed Accelerated Assessment Accountability IRN from the FB Record, as this element was deleted in FY16, but inadvertently left in from a prior year collection.

New or Updated Level 1 Validation:

Error #	Description of Change
FT.0001	Updated check on length of the EMIS ID for the FT Record. Any EMIS ID that is fewer than 9 characters in length will no longer cause a fatal error to occur.
DN.1001	Updated check to properly fatal duplicate records reported.

New or updated reports: Added (TUIT-003) Educating District Tuition - 2nd Funding Window and (TUIT-004) Resident District Tuition - 2nd Funding Window.
