“Updated Version Requires” Additional Information: N/A

Known Issues Resolved: Change 20-197 implemented to correct the update of the SSID on the Student Assessment (FA) Record. Prior versions of the collection request could have resulted in FA records fataling with missing SSIDs. Therefore, any entity that had error codes FA.0001 and FA.1001 on FA records for Graduate Only students, please re-collect, re-prepare, and re-submit, as these errors (for this case) should no longer be triggered.
