

EMIS Release Notes- New Collection Request

Collection Request Name: Five Year Forecast -Initial Required (FY22)

Collection Request Description: Collection required for all city, exempted village, local, and joint vocational school districts. Five year forecast is a financial projection which consists of three years of historical data, projections for the current year and four ensuing years, the ADM forecast, and a summary of key assumptions. This collection request is for updating the initial school year submission and will meet the requirement to submit during the mandatory spring window. Source file for the QF Record type must be uploaded in EMIS Section 7 format through the Data Collector Data Sources tab. An attachment is required to be submitted as a .pdf or .txt with the assumptions/notes reported (in lieu of emailing a file to the ODE Office of School Finance).
