

EMIS Release Notes- Updated Manifest

Collection Request Name: Summer and Fall End of Course State Assessment Collection FY18

Description of Change: Missing report has been turned on. It will display students with Fall vendor results on the state-wide assessment vendor file where the subject test(s) is not being reported by the district.

Planned Availability Date: 3/19/2018

Version Number: 4

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** No

“Updated Version Requires” Additional Information: There may be some SSIDs on the missing report that refer to a prior SSID and the district is reporting the test under the new SSID. The situation can be cleaned up by reporting a test record with a Score Not Reported reason for the prior SSID.

Known Issues Resolved: None.
