

EMIS Release Notes- New Collection Request

Collection Request Name: March Follow-up (D) FY21 Collection

Collection Request Description: CTE (career-technical education) Workforce Development Follow-Up data are reported during this collection. Additionally, CTE Technical Assessments (GY) and Industry Credentials (GW) may be reported for the same set of students. The GV and FA records are the only record types collected.

Collection Request Short Name: FY21-D-March Flwup

Manifest Code Name: 2021D0000

Collection Request Planned Release Version: 1

Planned Availability Date: 2/4/2021

Submission Date Range: 2/4/2021 - 4/16/2021

Organization Types That Must Report: Entities who received a March follow-up file from ODE

Major Change from Prior FY Version? See list of changes included below.

Data Sources Supported: Flat files only

Level 1 Reports Included: A missing student report, indicating the students who were on the original file provided by ODE but were either not in the file uploaded by the district or were in the file but excluded from the submission due to a fatal error. Note that a placeholder record for each missing student will be added into the preview and submission file.

Outstanding Issues: The Level 2 reports containing the students required for follow-up (CTFL-001 and CTFL-002) may not be available at the time the collection requests opens, as appeals are still being processed. A notification of the report availability will be sent out once the reports are available.
