This column links a student to the Spring 3-8 Assessment and Spring Alternate Assessment missing reports. The column value will change when reporting updates are made in this collection or in the other related collections. See the updated [Assessment Missing Reports Report Explanation](#) for details.
- *EMIS Change 22-8.* Districts can specify a local test window using the Organization General Information (DN) Record Attribute Names 'ASMTSPRELA' and 'ASMTSPRMSS'.
