Education &  
Workforce**

# 2022-2023 CAREER TECH PLANNING DISTRICT (CTPD) REPORT CARDS OVERVIEW

**JESSICA  
LAURIC**

Office of Accountability  
Ohio Department of Education & Workforce

December 2023

# GOALS OF THIS PRESENTATION

- **Explain** how state report cards are calculated and what they measure
- **Highlight** best practices and strategies for using state report card data to drive improvement
- **Provide** resources and tools for accessing and analyzing state report card data

# AGENDA

- **Student Populations**
- Overview of 2022-2023 Report Cards
- Report Card Details

# CAREER TECHNICAL EDUCATION CONCENTRATORS PERKINS IV

Secondary students who completed half of a Career Technical Education Workforce Development (WFD) Program and enrolled for additional credit within the same program

- Course based; not student cohort
- Students are concentrators before they complete a program
- Students must be *funded* in an *aligned* workforce development course in the reporting LEA in the year concentrator status is reported

# CAREER TECHNICAL EDUCATION CONCENTRATORS PERKINS V

Secondary students who completed 2 Work Force Development courses in a pathway

- Course based; not student cohort
- Students are concentrators before they complete a program
- Students must *complete*\* 2 Work Force Development courses in a program
  - Courses cross LEAs and years
- Students can be concentrators before 9<sup>th</sup> grade

\*Completed courses- funded in and enrolled for  $\geq 90\%$  of the instructional hours, **or** earned HS credit (partial or full)

# CURRENT YEAR CONCENTRATOR

Student who has achieved Career Technical Education Concentrator Status and has completed a Work Force Development course aligned to their Program of Concentration in the current year.

- Can be students who met concentrator status in current or prior year
- Perkins V students
- Reported by district through FN290 element
- The Department derives based on course completion if the district does not report

# CURRENT YEAR PARTICIPANT

Secondary students who completed 1 or more Work Force Development courses in a pathway in the year

- All current year concentrators are also participants
- Pay attention to participants! Those that are not may become concentrators

# CONCENTRATORS WHO LEFT

Concentrators who are no longer enrolled in secondary education  
(Exiting Student Follow-up)

- Not just graduates
- Not “completers”
- Not just students who met concentrator status in the prior year

# CAREER TECHNICAL EDUCATION GRADUATE COHORT

Concentrators who are part of a specific Graduation Cohort

- Not just graduates
- Must have met Career Technical Education Concentrator status by their fourth year in high school

# AGENDA

- Student Populations
- **Overview of 2022-2023 Report Cards**
- Report Card Details

# 2022-2023 CAREER TECHNICAL PLANNING DISTRICT REPORT CARDS

- **Overall Rating** – Rated on a 1 through 5-star scale in half-star increments
  - **Four Rated Components** – Rated on a 1 through 5-star scale in full-star increments
    - Achievement Component
    - Graduation Component
    - Career & Post Secondary Readiness Component
    - Post Program Outcomes Component

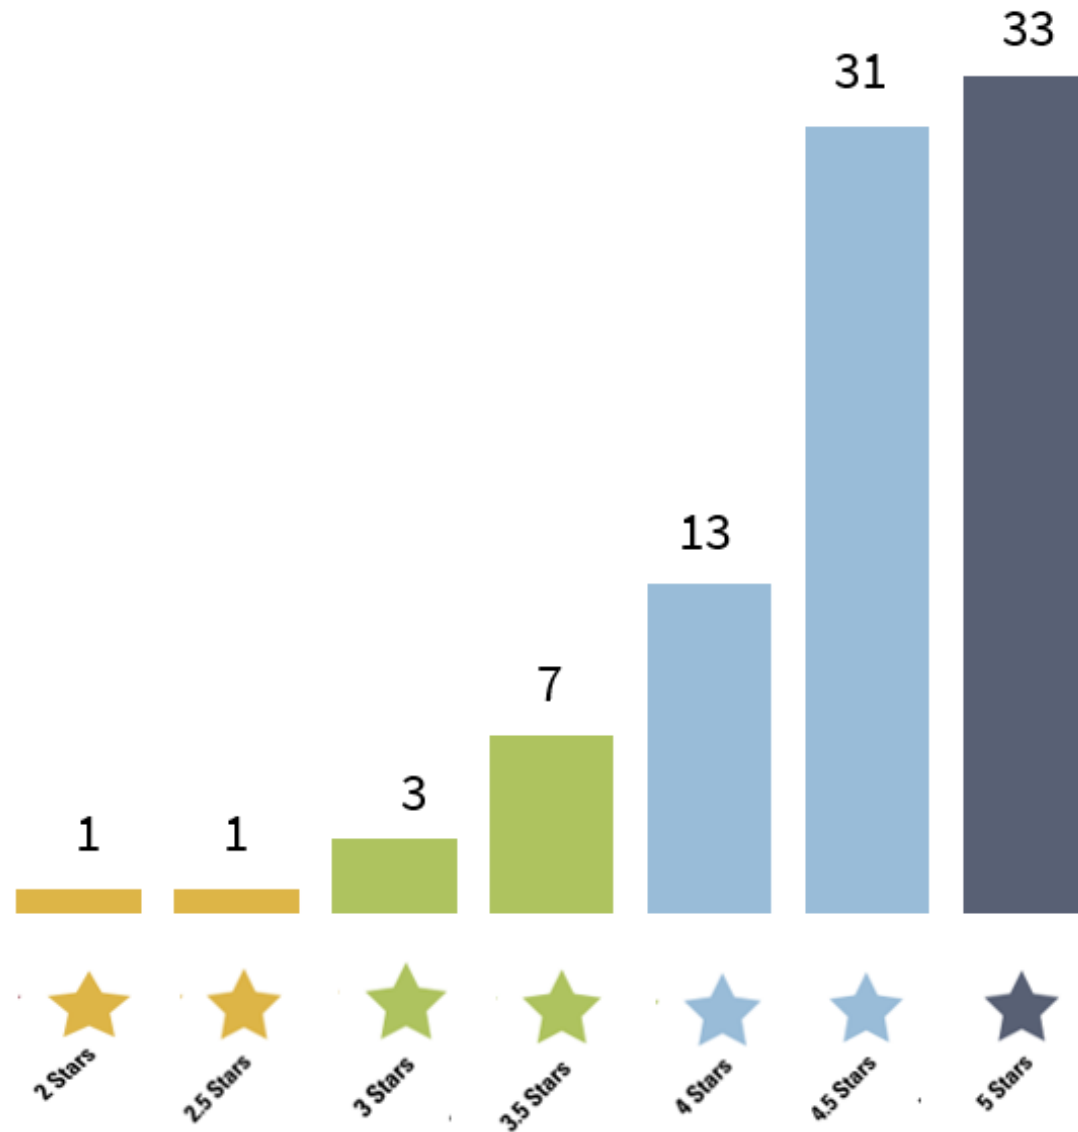

# CHANGES TO 2022-2023 CAREER TECHNICAL PLANNING DISTRICT REPORT CARDS

- Calculation Updates
  - Transition from Grades to Stars
  - Removal of Overall Rating demotion
  - Performance Index measure to be rated
  - Performance Index measure to contribute to Achievement component
  - Military Enlistment (Student Program Code GQ060 element = 520110)
- Website Layout Changes
  - Career & Post-Secondary Readiness bar graph now displays the graded elements in maroon and the Report Only elements are dark gray

## Overall Rating Distribution

Total of 89 Career Technical Planning Districts

- Almost 72% of districts were at least 4.5 Stars

## Career Tech Planning District Rating Distributions of Components

	1 Star	2 Star	3 Star	4 Star	5 Star
<b>Achievement</b>	3.37% (3)	12.35% (11)	32.58% (29)	50.56% (45)	1.12% (1)
<b>Career and Post-Secondary Readiness</b>	1.12% (1)	4.49% (4)	19.10% (17)	42.7% (38)	32.58% (29)
<b>Graduation</b>	0	2.23% (2)	3.37% (3)	14.61% (13)	79.78% (71)
<b>Post Program Placement</b>	1.12% (1)	3.37% (3)	5.62% (5)	16.85% (15)	73.03% (65)

# AGENDA

- **Report Card Details**

# ACHIEVEMENT COMPONENT

**Here's What.**

Here's the data.

**So What?**

So, what does the data tell us?

**Now What?**

Now what do we do?

# TEST YOUR KNOWLEDGE: ACHIEVEMENT COMPONENT

**True** or **False**

Is the Technical Skill Attainment part of the  
Performance Index?

Significantly exceeds state standards

100.0%

Met 9 out of 9 Federal Indicators

# CTPD Overview

Print

The Career Technical Planning District Report Cards include specific marks of performance, called measures, within broad categories called components. They receive ratings for up to six measures and four components.

[Click here](#) to go to the school's profile page.

By clicking this link you will leave the Ohio Department of Education's website, and the Department is not responsible for any external site's content.

## Achievement

The Achievement component measures the skills and knowledge learned in student's career-technical programs using aligned technical assessments and academic achievement using each level of performance on Ohio's State Tests.

Exceeds state standards in technical and academic achievement

View More Data

## Graduation Rate

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four or five years.

Significantly exceeds state standards in graduation rates

View More Data

## Career & Post-Secondary Readiness

Whether training in a technical field or preparing for work or college, the Career and Post-Secondary Readiness component looks at how well-prepared Ohio's students are for all future opportunities.

Significantly exceeds state standards in Career & Post-Secondary Readiness

View More Data

## Post-Program Outcomes

Post-Program Outcomes component looks at the proportion of students who are employed, in an apprenticeship, join the military, enter a service program, or are enrolled in postsecondary education or advanced training in the six months after leaving school. Industry credentials measure the proportion of students earning industry credentials before they leave high school or in the first six months after leaving school.

Significantly exceeds state standards in Post-Program Outcomes

# HERE'S WHAT

## Weighting

**Technical Skill:  
80%**

**Performance  
Index: 20%**

80%

20%

**Current Year  
Concentrator**

★★★★★  
Exceeds state standards in  
technical and academic  
achievement

## Achievement

The Achievement component measures the skills and knowledge learned in student's career-technical programs using aligned technical assessments and academic achievement using each level of performance on Ohio's State Tests.

### Technical Skill Attainment

Technical Skill Attainment measures the proportion of students passing technical assessments. These assessments are designed to measure the skills and knowledge learned in a student's career-technical program.

★★★★★

**84.2%**

Overall Assessment Passage Rate

Participation Rate **99.3%**

### Performance Index

The Performance Index measures the test results of every student, not just those who score proficient or higher. This includes results in English language arts, mathematics, science and social studies. There are seven levels on the index and CTPDs receive points for every CTE concentrator who takes a test. The higher the achievement level, the more points awarded in the CTPD's index. This rewards CTPDs for improving the performance of all students, regardless of achievement level.

★★★★★

**68.0%**

81.6 of a possible 120.0

Calculation

Pie Chart

Achievement Level	Pct of Students		Points for this Level	=	Points Received
Advanced Plus	0.7	X	1.3	=	0.9
Advanced	10.6	X	1.2	=	12.8
Accomplished	14	X	1.1	=	15.4
Proficient	33.9	X	1.0	=	33.9
Basic	21.5	X	0.6	=	12.9
Limited	18.9	X	0.3	=	5.7
Untested	0.3	X	0.0	=	0.0
					<b>81.6</b>

# SO, WHAT TECHNICAL SKILL ATTAINMENT

- **Technical Skill Passage:** percentage of Career Technical Education Concentrators in the year who received a cumulative score of proficient or higher on the technical assessments aligned to their Career Technical Education program of concentration, or, who obtained aligned industry-recognized credentials
  - Calculated summative score across all aligned assessment records reported for the students
    - at least two modules, aligned industry-recognized credentials, College Credit Plus courses, or a combination of the three
    - Highest score is used when multiple tests reported for the same course
    - Not individual scores, overall, across all modules

# EXAMPLE

<i>Student Summative Score Calculation, A0 Pathway</i>				
<b>Assessment Year</b>	<b>Assessment Subject Code</b>	<b>Proficient Benchmark</b>	<b>Advanced Benchmark</b>	<b>Student Assessment Score</b>
2022	AAL5	59	91	73
2022	AAM5	63	79	88
2022	AAN5	62	93	85
2023	ADH0	59	76	73
<b>Summative Score</b>		$59 + 63 + 62 + 59 = 243$	$91 + 79 + 93 + 76 = 339$	$73 + 88 + 85 + 73 = 319$
		$243/4 = 60.8$	$339/4 = 84.8$	$319/4 = 79.8$

Student is Proficient

# TECHNICAL SKILL PARTICIPATION

- **Technical Skill Participation:** proportion of students who took technical assessments aligned to their career-tech programs

Numerator: # of CY CTE Concentrators  
with required assessment reported

---

Overall Assessment Passage Rate

# SO, WHAT PERFORMANCE INDEX

- Performance Index: Measures achievement of all students on state tests. Districts receive points for student's level of achievement. Higher achievement results in more points.
  - Current Year Calculation
  - Perkins V Concentrators (2 courses)
  - First-time test takers
  - State calculation includes science and social studies
  - Perkins Performance Indicators do not include social studies

# PERFORMANCE INDEX, CONT.

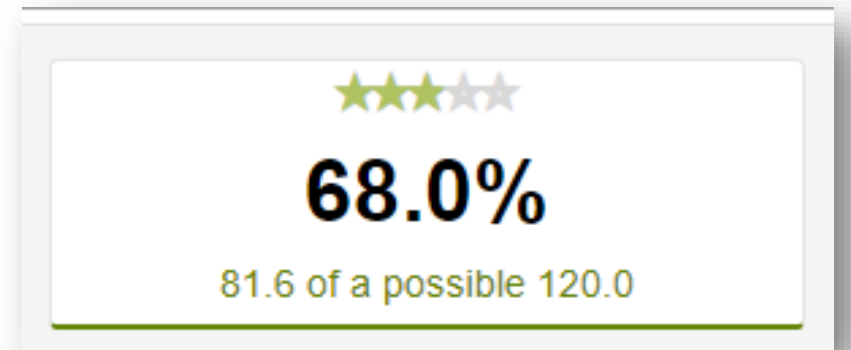

- Population: All current year concentrators who took state tests
  - Perkins V concentrators (Includes students who become concentrators prior to HS)
  - Current year tests (Includes tests taken in other LEAs)
  - Prior year first time EOC tests
- Tests are sorted into seven categories based on score, and points are assigned based on the percent of total tests that fall into each category
  - Advanced Plus, Advanced, Accelerated, Proficient, Basic, Limited, Untested
  - Each weighted score is multiplied by the percentage of student scores at that proficiency level
  - 120 is a perfect score

# PERFORMANCE INDEX CALCULATION

Numerator:  $\frac{\text{Sum of Weighted Scores for each Performance Level}}{\text{Denominator: Max PI}} = \text{Rate}$

Rate	Rating
85 - 100%	5 Stars
75 - 84.9%	4 Stars
60 - 74.9%	3 Stars
45 - 59.9%	2 Stars
<45%	1 Stars

# ACHIEVEMENT COMPONENT CALCULATION

Graduation Ready College Ready

### How Prepared was the Class of 2022?

The measures that are included in the Career & Post-Secondary Readiness Component Percentage are indicated with a ■ bar and an asterisk. All other measures are reported for informational purposes only.

Graduation Ready College Ready

### Outcomes after High School Graduation

Districts and schools have long-term impacts on student outcomes. The Career & Post-Secondary Readiness component provides information on how schools prepare students for different pathways of college and career success. It also provides insights on how those students do once they leave high school. What happens beyond the diploma is an important indicator of how well schools are preparing students.

The University System of Ohio provides district reports on enrollment and remediation of high school graduates attending in-state, public colleges and universities.

What Percentage of the 2020 Graduating Class Entered College within Two Years? 40.9%

What Percentage of the 2016 Graduating Class Graduated from College within Six Years of Leaving High School? 15.0%

# CAREER & POST SECONDARY READINESS COMPONENT

- Measures how prepared Career Technical Education students are for future opportunities.

Two Readiness options:

1. Readiness Measure: Career & Post-Secondary Readiness
    - a. Work-Based & Service Learning\*
  2. Emerging Readiness Measure: Career-Tech & Advanced Coursework
    - a. Work-Based & Service Learning\*
- **Students earn a maximum of 1.33 points**

\*Service Learning is not included for 2022-2023

# READINESS MEASURE OPTION 1

- Career & Post-Secondary Readiness elements earn 1 point
- Work-Based and Service-Learning element earns .33 bonus points
- Must earn 1 point from Career and Post-Secondary Readiness before bonus points are earned

OPTION 1	
CAREER AND POSTSECONDARY READINESS (1.0)	WORK-BASED AND SERVICE LEARNING (0.33)
» Remediation free (ACT/SAT)	» Internships
» Honors diploma	» Apprenticeships and pre-apprenticeships
» 12 pt. industry credentials	» Service learning
» Military readiness	» Other work-based learning
	» OhioMeansJobs-Readiness Seal

# EMERGING READINESS MEASURE OPTION 2

- Combination of 3 elements between Career-Tech and Advanced Coursework and Work-Based and Service Learning with at least one from each list earns 1 point
- 4<sup>th</sup> element from either list earns .33 bonus points
- 2 elements from either list or combination earns .67 points
- 1 element from either list earns .33 points

OPTION 2	
CAREER-TECH AND ADVANCED COURSEWORK (0.33)	WORK-BASED AND SERVICE LEARNING (0.33)
<ul style="list-style-type: none"><li>» Advanced Placement (AP) assessment</li><li>» International Baccalaureate (IB) assessment</li><li>» Career-Technical Assurance Guide; career-technical education technical assessments</li><li>» Credentials (less than 12 pts.)</li><li>» College Credit Plus, dual enrollment</li><li>» Four career-technical education courses in a pathway</li><li>» Career-technical student organization leadership and/or state competition participation</li></ul>	<ul style="list-style-type: none"><li>» Internships</li><li>» Apprenticeships and pre-apprenticeships</li><li>» Service learning</li><li>» Other work-based learning</li><li>» OhioMeansJobs-Readiness Seal</li></ul>

# CAREER & POST SECONDARY READINESS CALCULATION

Numerator: Total number of points earned by CTE concentrators  
who were in 9<sup>th</sup> grade for first time in 2019

Denominator: # of CTE concentrators who were  
in 9<sup>th</sup> grade for first time in 2019

# NOW WHAT-QUESTIONS TO ASK

- Are those moving on to college able to do college-level work immediately?
- How do we inform parents and encourage students to get involved in these opportunities
- How prepared are our students to get good jobs at area businesses?
- Do we offer In-Demand Industry Credentials to students?
- Are we collaborating with Pathway Business Advisory Council to determine the best opportunities for students?

# POST PROGRAM OUTCOME COMPONENT

**Here's What.**

Here's the data.

**So What?**

So what does the data tell us?

**Now What?**

Now what do we do?

# TEST YOUR KNOWLEDGE: POST PROGRAM OUTCOMES COMPONENT

**True** or **False**

Do student responses to questions on the survey need to align to their Program of Concentration?

Significantly exceeds state standards

100.0%

Met 9 out of 9 Federal Indicators

# CTPD Overview

Print

The Career Technical Planning District Report Cards include specific marks of performance, called measures, within broad categories called components. They receive ratings for up to six measures and four components.

[Click here to go to the school's profile page.](#)

By clicking this link you will leave the Ohio Department of Education's website, and the Department is not responsible for any external site's content.

## Achievement

The Achievement component measures the skills and knowledge learned in student's career-technical programs using aligned technical assessments and academic achievement using each level of performance on Ohio's State Tests.

Exceeds state standards in technical and academic achievement

[View More Data](#)

## Graduation Rate

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four or five years.

Significantly exceeds state standards in graduation rates

[View More Data](#)

## Career & Post-Secondary Readiness

Whether training in a technical field or preparing for work or college, the Career and Post-Secondary Readiness component looks at how well-prepared Ohio's students are for all future opportunities.

Significantly exceeds state standards in Career & Post-Secondary Readiness

[View More Data](#)

## Post-Program Outcomes

Post-Program Outcomes component looks at the proportion of students who are employed, in an apprenticeship, join the military, enter a service program, or are enrolled in postsecondary education or advanced training in the six months after leaving school. Industry credentials measure the proportion of students earning industry credentials before they leave high school or in the first six months after leaving school.

Significantly exceeds state standards in Post-Program Outcomes

Apprenticeship ● Not In Apprenticeship

Service Program ● Not In Service Program

JVSD Post-Program Placement Rate 89.0%

Concentrator who Left

# PLACEMENT RATE

- Placement Rate: Proportion of students who left who were placed in one of the following (“Y” reported):
  - Apprenticeship
  - Employed
  - Military Enlistment
  - Post Secondary
  - Service Program
    - Qualifying Service Programs are defined in The Strengthening Career and Technical Education for the 21st Century Act (Perkins V) as “a service program that receives assistance under title I of the National and Community Service Act of 1990 (42 U.S.C. 12511 et seq.)” (i.e., AmeriCorps) or “volunteers as described in section 5(a) of the Peace Corps Act (22 U.S.C. 2504(a))”

# STATUS KNOWN RATE

- Proportion of students who left for whom placement status is known (“Y” or “N” reported) for the 5 Areas

Numerator: # of Status knowns PY CTE Concentrators who left secondary education with a N or Y in any of 5 Areas

Denominator: # of PY CTE concentrators who left secondary education and not reported as Deceased

**= Rate**

Promotion/ Demotion	Status Known Rate

# NOW WHAT-QUESTIONS TO ASK

- Are students prepared for careers and postsecondary education after high school?
- What learning and employment opportunities are students transitioning to after graduation?
- What wrap-around services are we providing to students after leaving school to ensure positive placement?
- Have we provided career awareness for students to appropriately prepare for them to leave school?

# INDUSTRY-RECOGNIZED CREDENTIALS- REPORT ONLY

## Industry Credentials

Industry Credentials measures the proportion of students earning industry credentials or certificates before they leave high school, or in the first six months after leaving school.

Percentage of students earning ANY credentials	67.0%
------------------------------------------------	-------

Percentage of students earning at least 12 points in a single credential or in a bundle of credentials in a single career pathway	60.8%
-----------------------------------------------------------------------------------------------------------------------------------	-------

Status Known Rate	99.7%
-------------------	-------

JVSD Industry Credentials	81.4%
---------------------------	-------

# CAREER TECHNICAL PLANNING DISTRICT OVERALL RATING

Measure and Percent Contributed to Component Points	Component and Weight Contributed to Overall Rating Points	Overall Rating
Technical Skill Attainment = 80%	Achievement Component = 25%	
Performance Index = 20%		
4-Year Graduation Rate = 60%	Graduation Component = 25%	
5-Year Graduation Rate = 40%		
Post-Program Placement = 100%	Post-Program Outcomes= 25%	
Career & Post-Secondary Readiness = 100%	Career & Post-Secondary Readiness Component = 25%	

Note that this table reflects the calculation when all measures and all components have star ratings. When one or more measures or components are unrated, the weights are adjusted proportionally

\*Per the State Board of Education, Career Technical Planning Districts must meet all Perkins performance targets in order to receive an overall Star-rating of 5

Overall Rating Point Assignment	
Points	Star rating
4.125 – 5.000	5 Stars
3.625 – 4.124	4.5 Stars
3.125 – 3.624	4 Stars
2.625 – 3.124	3.5 Stars
2.125 – 2.624	3 Stars
1.625 – 2.124	2.5 Stars
1.125 – 1.624	2 Stars
0.563 – 1.124	1.5 Stars
0 – 0.562	1 Star

# Federal Accountability Results

Career-Technical Planning Districts are accountable to the U.S. Department of Education for nine measures as required by the Carl D. Perkins Career and Technical Education Act. Career-Technical Planning Districts have local targets for each of these measures. Full descriptions of the measures can be found on the Office of Career-Technical Education website.

## Details of Measures

- 1S1: Four-Year Graduation Rate | 1S2: Extended Graduation Rate
- 2S1: Academic Proficiency in English Language Arts | 2S2: Academic Proficiency in Mathematics
- 2S3: Academic Proficiency in Science | 3S1: Postsecondary Placement
- 4S1: Non-traditional Program Enrollment | 5S3: Participated in Work-Based Learning
- 5S4: Technical Skill Attainment

# FEDERAL PERFORMANCE INDICATORS

- Career-Technical Planning Districts are accountable to the United States Department of Education for nine indicators in relation to the [Carl D. Perkins Career and Technical Education Act](#). Student subgroups included:

- Gender
- Race/Ethnicity
- Economic Disadvantage
- English Learners
- Foster
- Homeless
- Migrant
- Military
- Non-traditional concentrators
- Single parents
- Students with Disabilities

# FEDERAL PERFORMANCE INDICATORS

- Graduation
  - 1S1 4yr Graduation Rate
  - 1S2 Extended-Year Graduation Rate (5yr graduation rate)
- Academic Proficiency
  - 2S1 Reading/Language Arts (ELA Performance Index)
  - 2S2 Mathematics (Math Performance Index)
  - 2S3 Science (Science Performance Index)
- 3S1 Post-Program Placement

# FEDERAL PERFORMANCE INDICATORS

- 4S1 Non-Traditional Program Enrollment
  - The percentage of concentrators in pathways that lead to employment in fields not traditional to their gender. Pathway non-traditional status published annually in the CTE Program Matrix
- 5S3 Work-Based Learning Participation
  - The percentage of concentrators who graduated in the 4yr Career Technical Education graduation cohort having participated in a minimum of 250 hours of work-based learning
    - Student program codes 310499 and 310500
- 5S4 Technical Skill Attainment
