DEEP DIVE INTO THE DROPOUT PREVENTION AND RECOVERY COMMUNITY SCHOOL (DPR) ACHIEVEMENT COMPONENT

OFFICE OF ACCOUNTABILITY

June 2024

GOALS OF THIS PRESENTATION

- **Explain** how the DPR Achievement Component is calculated
- **Provide** resources and tools for troubleshooting data

ACHIEVEMENT COMPONENT

Here's What.

Here's the data.

So What?

So, what does the data tell us?

Now What?

Now what do we do?

HERE'S WHAT

- The Achievement component is comprised of the High School Test Passage Rate measure.
- Represents the number of students who meet applicable criteria on assessments that are required for graduation

The image shows a screenshot of a school dashboard. The main content area is titled "School Overview" and features three data cards. The first card, "Achievement Component", shows a "Meets Standards" rating with a blue checkmark icon and a "View More Data" button highlighted with a red box. The second card, "Gap Closing", shows an "Exceeds Standards" rating with a dark blue checkmark icon and a "View More Data" button. The third card, "Meets Standards", shows a "Meets Standards" rating with a dark blue checkmark icon and a "View More Data" button. On the right side, a sidebar menu titled "School at a glance" lists several options: "School Home", "School Overview", "Achievement Component" (highlighted with a red box), "Gap Closing", "Graduation", "Progress", and "School Detail". Each menu item has a corresponding icon.

SO WHAT?

For the 2023-2024 Report Card, a student is at least 21 years and nine months if their birthdate falls between October 1, 2001, and September 30, 2002.

Class of 2018 to 2022

**Originally, students needed 18 points across seven tests
Now, students meet same requirements as 2023 and
Beyond below**

Class of 2023 and Beyond

EOC Exams Score of 684

- **Algebra 1 (or Integrated Mathematics 1)**
- **English Language Arts II**

ALTERNATE ASSESSMENT

- Students with the Most Significant Cognitive Disabilities
- Must take all four assessments
 - English language arts
 - Math
 - Science
 - Social Studies
- Must have a valid score for all four assessments

Course during Covid

During COVID, students could use a course grade in lieu of using a test score and these do count in the calculation using this crosswalk

High School Grade	Graduation Points
A	5
B	4
C	3
Earned Credit or Passed Course	
D	2
Not applicable	1

Data Manager Reports

- Data Manager sends reports directly to schools twice per week during the EMIS reporting through Data Collector
 - *20xx_RPTCRD_DPR_Assessment_Pass_Rate_SSIDs_<file date>.xlsx*
 - Each report will have the SSID of the students and whether they are included in the denominator and/or numerator.
 - A second worksheet includes the Calculation information with the percentage of passed tests as well as how many tests taken and the number of passed tests.

SECURE DATA CENTER

The screenshot shows the navigation menu of the Ohio Department of Education Report Portal. The menu is organized into several categories: Public Data, Finance, Teacher Reports, Secure Data Center, and Nonpublic Data. The 'Secure Data Center' category is highlighted with a red box. Within this category, the 'Local Report Card' option is also highlighted with a red box. A sub-menu is open for 'Local Report Card', listing various report types, with 'Dropout Recovery Program Report Card' highlighted in red.

SDC DPR REPORT CARD

The screenshot displays the 'Dropout Prevention and Recovery Report Card' interface. At the top, there is a header with the Ohio Department of Education & Workforce logo, the title 'Dropout Prevention and Recovery Report Card', and a field for 'School Name and IRN'. Below the header, there is a navigation area with a 'Select a New School' button (indicated by a left arrow icon) and a 'Select a School Year' dropdown menu currently set to '2023-2024'. The main content area features seven report category buttons: 'Overall Ratings', 'School Details', 'Graduation Rates', 'Other Student Outcomes', 'Achievement', 'Progress', and 'Gap Closing'. The 'Achievement' button is highlighted with a red rounded rectangle. The 'Progress' button is highlighted in gold. A text box on the right explains that gold-colored reports have no 2024 data or very limited data available. At the bottom left, there is a 'School Selection' breadcrumb.

Assessment Passage Rate Trend and State Comparison

The Achievement component is based on the assessment passage rate of students in grades 12 and/or within three months of turning 22. Assessment passage rates are calculated using results from End of Course Exams and are only calculated when there are at least 10 students in the denominator. Rates based on fewer than 10 students are displayed as 0%. The state comparison group includes all schools identified as Dropout Prevention and Recovery Schools in the given school year. The state comparison group rate was not calculated for 2020 due to the Covid-19 pandemic.
