

## Early Childhood Education Grant Application for Approval to Serve Three-Year-Old Children

This application is a request for approval to serve 3-year-old children in Fiscal Year 2022 (FY22). It is the expectation that prior to seeking approval, the program has worked to enroll eligible 4-year-old children and did not hold slots or create waiting lists for children younger than 4-years-old.

**Applications will be accepted on a rolling basis.** This application is only valid for FY22.

Submit the completed application by email to: [earlychildhoodeducation@education.ohio.gov](mailto:earlychildhoodeducation@education.ohio.gov).

Provide a detailed description of actions the program has taken to collaborate with other Early Childhood Education Grant funded programs, Head Start programs and childcare programs in the area to find and enroll eligible 4-year-old children.	
Provide a detailed description of actions the program has taken to find and engage hard-to-reach families in order to enroll eligible 4-year-old children.	
Provide a detailed description of additional steps the program will take to fill the slots approved for 3-year-old children in FY22 with eligible 4-year-old children in FY23 (2022-2023 school year).	

By signing below, the grantee assures they are aware of, and will adhere to the following:

- Grantee must report enrollment numbers for all children as requested by the department;
- Children must be 3-years-old on or before Oct. 1, 2021 to be enrolled in ECE;
- Children and families must meet the financial eligibility requirements outlined in the Grantee Manual;
- No slots have been intentionally held in order to serve 3-year-old children;
- Approval is effective through June 30, 2022;
- It is the expectation that grantees will serve as many 4-year-old children as possible. As such, if the grantee does not demonstrate the ability to enroll and serve 4-year-old children in subsequent years of the grant, the department may reduce the grantee’s total allocation in future years.
