		Event Description
		This training is designed for early care and education professionals who administer the Early Learning Assessment (ELA). This training covers the essential concepts for educators to understand and use the ELA with the preschool-aged children they serve. Participants will learn how the ELA is set up, how to conduct high-quality

5.	Click View Cart . Then click Checkout .	Total Event Fees Free Remove from Cart View Cart (1)
6.	You have successfully registered for the course! Click Return to Profile .	Congratulations! Your order has been placed successfully. OLINE TRAINING: • If you have registered for an online event, it is available to take immediately. The date on the OPR PD Event search is the last date this event is available to you. Make sure that you complete the PD prior to posted date. • There are two types of online events available in the OPR. Access to online PD Events is available from the Professional Development tab in your profile. Use the Access Training link (if available) to take you directly to the PD Event. Other online events can be accessed by clicking on View where you will be taken to the Event Details page. Review the event description to find the information on access to the online PD. An email containing year payment information and registration information will be arriving shortly. If you do not see the email in your inbox, please check your spam filter. Return To Profile
