

# Early Learning Assessment Technology Virtual Training

Registration for the Early Learning Assessment (ELA) Technology Virtual Training from August to November 2022 is open through the Ohio professional Registry (OPR) at [www.registry.occrra.org](http://www.registry.occrra.org) This 100% virtual training is for individuals who have been previously trained to use the Early Learning Assessment tool in either the **9-hour or 12-hour ELA training but need to be trained to use the ELA technology supports in the Ready for Kindergarten Online system (KReady) and complete the ELA Assessments to become a reliable assessor.** This training does not serve as the foundational training for the ELA. Participants will be required to complete and pass the Content Assessment and Simulation Exercise during the training. Do not register for this training if you have already completed these two assessments. Participants can register by entering the ST number into the search field or the title, ELA Technology Virtual Training.
