Congratulations! Your order has been placed successfully.

ONLINE TRAINING:

- If you have registered for an online event, it is available to take immediately. The date on the OPR PD Event search is the last date this event is available to you. Make sure that you complete the PD prior to posted date.
- There are two types of online events available in the OPR. Access to online PD Events is available from the Professional Development tab in your profile. Use the Access Training link (if available) to take you directly to the PD Event. Other online events can be accessed by clicking on View where you will be taken to the Event Details page. Review the event description to find the information on access to the online PD.

An email containing your payment information and registration information will be arriving shortly. If you do not see the email in your inbox, please check your spam filter.

Step 8: Access Training

From your Profile page, click on the Professional Development tab of the blue menu bar.

The screenshot shows a navigation menu with tabs: Account, Applications, Credentials, Education, Employment, Instructor, Professional Development, and Reports. A red arrow points to the Professional Development tab. Below the menu, the 'Upcoming Trainings' section is visible, showing a training titled 'Early Learning Assessment Essentials: Part 1' by Christina Tomazinis. A second screenshot shows the 'Professional Development' tab selected, with a table of training options. A red arrow points to the 'Access Training' link in the actions column of the table.

Training	Hours	Instructor	Date	Status	Approvals	Actions
Early Learning Assessment Essentials: Part 1 (AT137820)	3.50	Christina Tomazinis	2023/07/24	Registered	OA-L1	View Access Training

Then click Access Training under the actions for the Early Learning Assessment Essentials: Part 1.

Step 9: Complete Training

The training course will open in a new browser tab in the OH|ID Learning Management System. Click on the Content Browser to access the lessons in the course.

The screenshot displays the LMS interface for the 'Early Learning Assessment (ELA) Essentials: Part 1' course. The top navigation bar includes 'My Home', 'Content', 'Awards', 'ePortfolio', and 'LMS Support Email'. The main content area features a 'Start Here' section with a progress bar indicating '40% 2 of 5 topics viewed'. Below this, a 'Table of Contents' is visible on the left, listing various course components. A red arrow points to the 'Content Browser' in the top right corner of the screenshot.
