

School District Kindergarten Readiness Assessment Options for Fall 2025

Each public district, community school, and opted-in Chartered Non-Public school must make a decision about which KRA form they will administer to their kindergarten students in Fall 2025. These are the options:

	Option 1: KRA-R2 (Short Form)	Option 2: KRA 2.0 (Full Form)
Number of Items	27	50
Scores Available	Overall Readiness Language & Literacy	Overall Language & Literacy Mathematics Social Foundations Physical Well-Being & Motor Development
Virtual Administration Items	8	17
New teacher training required?	YES	YES
New training required for returning teachers?	NO	NO
Can be used for Reading Diagnostic in Kindergarten?	YES	YES
Scores comparable to previous KRA?	YES	YES
Administration Window	July 1 – first 20 instructional days	July 1 – first 20 instructional days
New kit needed?	YES	YES
Requires change to K Ready?	NO	NO
Requires change to EMIS reporting?	NO	NO

Please go to the KRA [Default Shipping List](#) and check that the number of kits and physical shipping address are correct.

If these two pieces of information are correct, you do not need to take further action.

If one or both are incorrect, you should make corrections by completing the [Fall 2025 KRA Orders Form](#).
