June – October 2021

Training on the Kindergarten Readiness Assessment Revised (KRA-R) will be available using an online hybrid format (including self-paced modules and a scheduled webinar) beginning in June. All new kindergarten teachers, or other educators who will be scoring the KRA-R, must successfully complete the training prior to assessing children. Registration for the Kindergarten Readiness Assessment Revised (KRA-R) Virtual Training from June to October 2021 is now open through the STARS training and registration application within your [OHID Account](#) for June and July events. All events will be available for registration by the end of July.

Teachers **must have an account** in the Ready for Kindergarten Online system (KReady) to participate in the training. Registration will be cancelled for individuals who do not have an account at least one week prior to the training date.

Teachers **must complete self-paced online modules prior** to attending their scheduled webinar.
