August 14, 2026	February 12, 2027

December 14, 2026	June 14, 2027

Funding reflects the most current data available and includes **ALL** updates authorized by **Am. Sub. HB 96** (the current biennial budget).

Information Relevant to the July Payment

- Enrolled ADM and all categorical FTEs (special education, English learners, CTE and directly certified economically disadvantaged students) is based on FY26 data compiled as of June 29, 2026.
- Reimbursement for community schools affected by instances of transportation non-compliance was included in the July payment. JV56 will be used for these reimbursements.
- The July payment included an adjustment for remaining Threshold Cost Set Aside funds from FY26 that were redistributed back to community schools. JV27 was used to make these positive adjustments.
- Disadvantaged Per Pupil Impact Aid (DPIA) is calculated using a formula that consists of 65% FY2025 economically disadvantaged (ED) Average Daily Membership (ADM) and 35% current year directly certified students. Per HB 434, the weighted economically disadvantaged ADM cannot exceed the Enrolled ADM for a community school. In the case where the weighted ED ADM exceeded the enrolled ADM, the weighted ADM is constrained to the enrolled ADM amount.
- Facilities funding was paid at $1,000 per FTE for brick-and-mortar community schools and $25 per FTE for e-schools. The total appropriation for facilities funding is $90,155,000. Since the July payment exceeded this amount, it was prorated at 98.52674153%.

Statement of Settlement

The Statement of Settlement shows the amount of funding by component paid monthly from SFPR and non-SFPR sources. Typically, the monthly amounts fluctuate based on data updates that occur during each payment period. On the statement of settlement, funds are generally paid out on a percentage basis or the remaining payments of the year basis.

The adjustments below are applied to the FY2027 July payment. These items are reflected on the statement of settlement with their respective journal voucher codes for proper accounting. This payment includes:

- JV21 Community School Rural Transportation Grant
- JV27 Community School Threshold Cost Repayment
- JV43 Audit Fee
- JV56 Reimbursement of Transportation Non-Compliance
