Dear Superintendent:

Thank you for submitting the Graham Elementary and Middle School Reading Achievement Plan Progress Report. Upon review, the Department of Education and Workforce sees progress and appreciates your time and commitment in implementing the comprehensive literacy plan.

Below, the Department's literacy team has provided feedback and resources in response to the information provided in the Reading Achievement Plan Progress Report:

- We appreciate your school's introspective response about the progress your school has made and the revisions to the goals based on data analysis.
- [Regional Data Leads | Ohio Department of Education and Workforce](#) offer technical assistance to school administrators and teachers and might be an option for your school to work with staff and/or analyze at a district level for measurement purposes.
- Go to <https://reportcard.education.ohio.gov/> and select the three lines in the upper right corner, then select either **Download Data** or **Advanced Reports** from the drop-down box.
 - Download Data - Summary tables
 - Advanced Reports Portal – Most reports are interactive via dropdown lists, radio buttons or check boxes.
 - Secure Data Center (SDC) – available only to district and school users who have access. After the data has been submitted to EMIS, this can be found under OHID in the Report Portal app under 'Secure Data Center', then 'Test Results'.

If you have any questions about the feedback and resources provided, please contact ReadingPlans@education.ohio.gov. Thank you for all of your efforts to increase literacy achievement for your students.

Sincerely,
