- Items in each stage are listed in order of priority
- Any R-TFI item with an asterisk indicates the coaching of the concept could be completed in a shorter amount of time (e.g., within 2 months)
- Items 1.6, 1.15, 1.17 while important for the installation and implementation of School-wide Reading Model, are not items identified as specific concepts/areas or skills to be coached for the purposes of developing a Coaching Service Delivery Plan. These items require consideration and support from the District Implementation Team.
- Items 1.10 and 1.11 are specific to SWPBIS practices in the classroom settings and are better addressed as a part of the SWPBIS Tier 1 Coaching Service Delivery Plan Cheat Sheet.
- Item 1.16 is specific to systems level coaching which is in place if the coach is developing a Coaching Service Delivery Plan.
