

Accelerate math learning for Ohio students

To support Ohio educators with providing differentiated middle school math support, the Ohio Department of Education (ODE) is offering free access to Zearn Math, a top-rated math learning platform to reinforce and deepen grade-level learning.

Zearn Math provides high-quality instructional materials, including digital math lessons with built-in differentiated support right when students need it.

When learning with Zearn Math, Ohio students will:

- ✓ Learn grade-level math concepts with on-screen teachers
- ✓ Problem solve with interactive models and real-time feedback
- ✓ Receive just-in-time, personalized support that addresses unfinished learning in the context of new learning

Learn more at about.zearn.org/ohio.

All Ohio districts and schools serving 6-8 grade students can opt-in to access Zearn Math at no cost. Join a [live webinar](#) with ODE and the Zearn Team this fall.
