*Governor DeWine signed House Bill 583 of the 134th General Assembly on June 24, 2022. The bill delays by one year the requirement for annual tier one dyslexia screenings of students in grades kindergarten through six from the 2022-2023 school year to the 2023-2024 school year but permits a district or school to administer the tier one dyslexia screening prior to the 2023-2024 school year.
