Assessment Overview

Overview for districts describing in detail the assessment, its use and how the vendor supports implementation of the assessment.

Ohio LEA's will have access to DRC's Customer Care team. Members from Customer Service, Scoring Service, Research, Technology, Publishing, and Product Management form our core Customer Care team. Working together, this team ensures that every customer receives personal, helpful, and timely response regardless of whether service is requested through the website, email or through a phone call.

DRC provides onsite and virtual trainings, staff development workshops, and post-data workshops to ensure that customers administer the TerraNova suite of assessments properly and understand and use test results effectively. In addition to staff development workshops DRC also provides customer phone and email support during test administrations. The DRC Scoring Team also works with customers across Ohio and the country before, during, and after test administrations to ensure that student data is properly prepared, scored, and delivered efficiently.

DRC provides accurate and dependable results with the TerraNova Achievement Tests. The results of these assessments can be translated into valuable information for decision making to assist educators in improving student learning and knowledge, and in this case in measuring student growth over time.

TerraNova Achievement Tests motivate students to perform using engaging content reflecting real world situations that aligns to both national standards and the Ohio Learning Standards. TerraNova Achievement Tests utilizes the most up to date measurement research for bias reduction and Item Response Theory, resulting in a valid and reliable assessment that meets rigorous psychometric standards. DRC supports large-scale assessments with timely customer response and ethical practices. DRC has a dedicated team of resources for responding to any and all customer inquiries. Your local team includes an Ohio based Assessment Solutions Consultant, Jon Weiss, and a National Sales Manager, Christi Linton, who provide consultative direction during all aspects of implementation. We look forward to supporting Ohio in your expectation of excellence.
