Assessment Overview

Overview for districts describing in detail the assessment, its use and how the vendor supports implementation of the assessment.

aimswEBPlus is a tool for teachers and educational teams in MTSS/RTI and special education contexts.

aimswEBPlus offers nationally-normed, skills-based benchmark assessments and progress monitoring integrated into one application across reading and math domains with additional add-on measures across dyslexia and behavior/social-emotional skills. aimswEBPlus informs daily instruction and provides growth results to caregivers and district/state audiences in reading and math achievement using curriculum-based assessment and standards-aligned content for students in PreK through Grade 12. Additionally, aimswEBPlus links to instructional resources to support growth in reading, writing, and math skills. aimswEBPlus uncovers learning gaps quickly, identifies at-risk students, and assesses growth at the individual and group levels.
