## Introduction

The Ohio Department of Education's Office of Ohio School Sponsorship was created to perform the sponsorship activities for the Ohio Department of Education. The Ohio Department of Education adopted its strategic plan, *Each Child our Future*, to ensure that "in Ohio, each child is challenged, prepared and empowered." The Office of Ohio School Sponsorship seeks to ensure that all schools sponsored by the Department are aligned with the Department's strategic plan and the core principles of equity, partnerships, and quality schools.

The Office of Ohio School Sponsorship, as a statutorily created office, must follow the mandates of ORC 3314.029 including to follow the requirements related to accepting applications and awarding contracts to schools. Applications that follow the Department's strategic plan, the Department's core principles, and the requirements of ORC 3314.029 are sponsoring priorities.

Any school that applies must agree to comply with the following requirements:

- Be a nonprofit corporation or a public benefit corporation;
- The school governing authority must attest that it has no unresolved findings for recovery issued by the Ohio Auditor of State;
- The school must be non-sectarian in its programs, admission policies, employment practices, and all other operations;
- The school cannot be operated by a sectarian school or religious institution;
- The school's teachers must be properly licensed;
- The school must comply with all laws and rules applicable to community schools; and
- The school's graduation and curriculum requirements must comply with Ohio law.

The school also must comply with the bond requirement set forth in ORC 3314.029(C) and post a bond or guarantee with the state superintendent of public instruction.

It is important to note that meeting eligibility requirements and submitting an application does not guarantee approval. The Office of Ohio School Sponsorship follows a process and timeline provided by Section 3314.029 of the Ohio Revised Code. An application will be reviewed within 30 days of its submission. School Sponsorship will provide an initial response that either approves the application or notifies the applicant of any deficiencies. If deficiencies are noted, the applicant will have an additional 30 days to make corrections and submit additional documentation. The submission will be reviewed with a final decision being made upon completion of review.

## Eligibility Terms

The Ohio Department of Education Office of School Sponsorship (ODE OSS) encourages applicants to submit well-thought out applications with proven education models and innovative ideas that will provide a high-quality school of choice committed to serving students with diverse needs.

This Application is for existing community schools applying to ODE OSS for a transfer in community school sponsorship. In order for a new school to apply, the New School Application must be completed. In order for an existing ODE OSS sponsored school to apply for renewal, the Renewal/Continuation of Sponsorship Application must be completed.

Assumed/Transfer applications will be deemed submitted as of the date that the application and all supporting documentation are received by ODE OSS. An approved application is not a contract pursuant to Section 3314.029(B) of the Revised Code. After approval, a contract must be entered into

between the ODE OSS and the school's governing authority to complete authorization of a new community school.

## Instructions

All applicants should read the entire application before beginning to complete the required forms.

### Education Plan

Please refer to the information below when completing the Education Plan sections. Each section provides guidance and the specific information requested in each section of the application. The Education Plan should be no more than twenty-five (25) 8 ½ x 11” pages with one inch (1”) margins and font no smaller than size 10.

#### EDUCATION PROGRAM, PHILOSOPHY, AND CURRICULUM

##### A. Education Philosophy

State the educational philosophy that encompasses the vision, values and purpose for which the proposed school is being founded. Provide a statement including how the philosophy will be communicated to teachers, families, students, staff, the community and stakeholders.

Statement:

Core beliefs and values (which align with the school’s mission and philosophy):

Describe the length of the school year and day (include other areas of school design):

##### B. Educational Programming

Describe the schools educational programming and the instructional materials that will be used to implement the curriculum.

Statement:

Describe how the education program will serve the diverse needs of the individual students (provide evidence and explicit research citations or other data that was reviewed by the school in selecting the educational program (this research and data should include information related to how the program and practices will result in improved student outcomes, high academic achievement and the attainment of knowledge, skills and experiences that ensure college and career readiness):

Provide data to show that the education program demonstrates an understanding of the school’s special education obligations:

Describe the methods, service, and staffing the school will employ to provide a free, appropriate public education (FAPE) to all students with special needs:

Outline how the school will roll out the Response to Intervention (RTI), its capacity to implement such efforts, and the specific methods to monitor progress:
Describe the process the school will use to annually evaluate, review and revise the education program and make adjustments based on the student population:
Outline any supplemental services, non-classroom learning, and after school programs that will enhance the educational environment:

**C. Curriculum and Instruction**

Community schools have the unique ability to select the curriculum models that best reflect the mission and educational philosophy of the school and best serve the needs of the student population. The school curriculum ensures students are college and career ready. The curriculum should reflect a rigorous academic program. Proposed schools should align their curriculum with Ohio’s Learning Standards, which are available at <a href="http://education.ohio.gov/Topics/Learning-in-Ohio">http://education.ohio.gov/Topics/Learning-in-Ohio</a> .
Detail the high-quality content-focused learner centered curriculum (and outline if the school uses the Ohio Model Curriculum):
How will the school develop curriculum maps and pacing guides:
Outline evidence of alignment of the curriculum model to the Ohio Learning Standards:
Describe the primary instructional delivery methods, strategies and techniques the school will use:
Provide evidence of the research based practices per ESSA for these delivery methods:

**D. Assessments**

Provide an overview of what assessments the proposed school will employ and how these assessments will drive discussions:
---

Outline how the academic calendar will meet all Ohio required assessments (including testing windows):
Describe the school's standards for promoting students to the next grade, achievement level or grouping level in alignment with the educational program:

**KEY ACADEMIC AND NON-ACADEMIC GOALS & FAMILY ENGAGEMENT**

**All OSS sponsored schools will adopt the following goals as required by the Office of School Sponsorship.**

**OSS Community School Contract 2022-2023  
REQUIRED GOALS**

**Kindergarten – 8<sup>th</sup> Grade**

**S.M.A.R.T Goals** — *The school will track the academic progress of 100% of students using standards-based report cards, performance assessments, and universal screening tools during each school year of the contract. Teacher Based Team meetings will be held monthly with teams reviewing academic progress of all students using the Response to Intervention Model framework. Students will be grouped into three tiers based on their academic performance. Teachers will use all the collected data to differentiate instruction within the general education classroom. 100% of students, who are not making sufficient progress, including those students receiving special education services, will receive focused interventions in their area(s) of weakness.*

**K-8 reading**

- a. 80% of students, who have attended the school for one or more years, will achieve “on track” or “proficient” on required AIR Reading assessment by the end of the contract.
- b. 80% of students will annually meet or exceed projected growth as identified on the reading assessment named in the sponsor contract.
- c. The gap in reading between students with disabilities and the total population will be reduced by 10% on AIR tests annually throughout the term the contract.

**K-8 math**

- a. 80% of students who have attended the school for one or more years, will achieve “on track” or “proficient” in math on required AIR tests by the end of the contract
- b. 80% of students will annually meet or exceed student projected growth as indicated on the math assessment named in the sponsor contract.

- c. The gap in math between students with disabilities and the total population will be reduced by 10% on AIR tests annually throughout the term of the contract.

### **K — 3 Early Literacy per Ohio Accountability**

**S.M.A.R.T Goal** — *The school will administer an approved reading diagnostic assessment to all K — 3 students prior to September 30th to identify students who are on-track or not-on-track in their reading skills. Those students who are identified as not-on-track will receive a Reading Improvement and Monitoring Plan within 60 days of the assessment. The plan will identify the student's specific reading deficiencies and will describe additional services and supports that the student will receive. The Reading Improvement and Monitoring plan will be monitored on a monthly basis by the teachers with 70% of students meeting “on track” or “proficient” by end of year assessment.*

- a. 70% of students requiring a reading improvement and monitoring plan will meet “on track” or “proficient” on the end of year assessment.

### **9<sup>th</sup> – 12<sup>th</sup> Grades High Schools/DOPRs – Graduation Progress**

**S.M.A.R.T Goals** — *The school will track the academic progress of 100% of students by monitoring Student Success Plans and progress made toward graduation pathways. Review of data to be included will be coursework completed as aligned with state standards, performance assessment results, and progress made toward individual graduation pathways during each school year of the contract. Teacher Based Team meetings will be held monthly with teams reviewing academic progress of all students using the Response to Intervention Model framework. Students will be grouped into three tiers based on their academic performance. Teachers will use all the collected data to differentiate instruction. 100% of students, who are not making sufficient progress, including those students receiving special education services, will receive focused interventions in their area of weakness*

*All students will have completed a Student Success Plan with a detailed description of coursework, required assessments, and trainings needed to meet graduation requirements for their chosen pathway to graduation. For schools using an adaptive learning management program, annual goals for academic achievement shall be identified in the Student Success Plan, along with an intervention plan outlining steps taken to keep students on track to graduate.*

- a. 80% of students will annually complete required courses as aligned with their Student Success Plans.
- b. 80% of students will achieve annual goals as identified in their Student Success Plans.
- c. Over the term of contract, 80% of students will graduate with a career credential or military or college preparedness as aligned to their chosen pathway to graduation stated in their Student Success Plan.

### **Kindergarten – 12<sup>th</sup> Grade – Non-Academic Goals**

#### **S.M.A.R.T Goal - Family Engagement**

*The school will provide parents with the opportunity to attend at least one informational session during each school year, including but not limited to the school's academic plan information night, PBIS processes, literacy or math focused student centered “knowledge” night, or school events where parents receive information and guidance on student academic success. The school will survey parents to monitor attendance and gauge interest and involvement.*

- a. K-12 – The school will offer a minimum of two academic informational nights annually and will monitor family attendance and involvement by receiving 75% of survey responses identifying attendance or positive reactions in response to the opportunity to learn more about academic performance of the school and their student.

**S.M.A.R.T Goal - Operational/Academic Professional Development**

*Consistency is the key to success at any educational institution. To this end, the school will ensure that the operational and academic procedures and processes are reviewed annually by educators, staff and leadership. This includes but is not limited to training on staff and family handbooks, policy and procedure manuals, and educational content and instructional professional development.*

*In addition to school operations training for all staff, the school will provide professional development to all core content teachers and teacher aides to support the implementation of the school’s education plan including, but not limited to the following evidence-based instructional practices: balanced literacy, writer’s workshop (Pre K-6), content and disciplinary literacy (7-12), writing across the curriculum (7-12), critical thinking (Pre K-12) and mathematical thinking (Pre K-12).*

- a. 100% of the school’s core content instructors will receive six (6) hours of professional development on evidence-based instructional strategies relating to the school’s educational model.
