Instructions for Reviewers

This rubric is intended to guide reviewers through the evaluation of transfer community school applications consistent with the Ohio Revised Code and in alignment with the Sponsor Evaluation System. Reviewers will score key sections within seven (7) main areas:

- Reason for Changing Sponsorship;
- Governance and Management;
- Academic Information/Data;
- Financial Performance/Business Plan;
- Organizational Performance;
- Education Philosophy, Programming, Curriculum and Instruction, and Assessments;
- Required Attachments.

For each scored section, key characteristics of "Meets Expectations" are outlined. Sections that meet all expectations may earn full points. Sections that do not meet all expectations may earn 1 point or 0 points. Half scores are not permitted. Using these key characteristics, reviewers should score each section based on the evidence found in the application. For each section, there is space to note strengths, challenges, questions, and reviewer comments. For all sections scored 0 or 1, each reviewer must provide challenges noted and questions. Challenges noted and questions should be as factual and objective as possible.
