

STARS Registration Tutorial

STARS is a Web-based application that provides for planning and management of professional development and technical assistance programs for Ohio educators. It is accessed via the Training and Registration application within your OH|ID Account.

1. Sign in to your OH|ID Portal.
2. Select: Training and Registration (STARS)
 - Users must create a STARS User Profile before registering for an event. Please refer to the [training videos](#) for assistance in creating or updating a STARS User Profile.
3. Select: Event Search
4. On the Event Search page:
 - Do not type anything in “Event Name”.
 - Do type an appropriate keyword into the keyword search box, “Catastrophic Cost”.
 - Dates within “03/01/2021” and “04/30/2021”.
 - Click search.
5. Follow the prompts to register for the appropriate event date and time.
6. If the event is full, still register. We will be doing our best to accommodate requests.
7. If you have any questions about registering, please contact your area coordinators office for additional information.
