

The Income Eligibility Application (IEA) for free or reduced-price meal benefits to be utilized for fiscal year 2017-2018 is attached. The packet includes sponsor instructions, income eligibility guidelines, and income eligibility application for free and reduced-price meals and the household letter to enrolled participant's parent/guardians and providers. **The Guidelines and Income Eligibility Application are effective as of July 1, 2017.**

The income eligibility determination procedures were expanded by USDA so sponsors have more flexibility concerning the effective date when approving income applications. The date to be used to make this determination may be either:

- A. The date on which the sponsor or center representative signs the form to certify eligibility/category of the child; or
- B. The date the parent or guardian signed the income form

Beginning October 1, sponsors will indicate determination procedure to be used on the application Family Day Care Home Management Plan for CACFP fiscal year 2018.

Ohio Policy: In order for the income form to be valid, the sponsor/center representative must sign, date and categorize the form at bottom of page regardless of the procedure used to determine the eligibility effective date. Failure to do so will make the form incomplete and the child could only be claimed as paid until the month the form was completed by sponsor/center representative.

Reminder: Households are no longer required to report changes regarding the increase or decrease of income or household size or when the household is no longer certified eligible for food assistance and/or Ohio Works First (OWF). Once properly approved for free or reduced-price benefits, a household will remain eligible for those benefits for a period not to exceed 12 months. **However,** providers tiered as Tier I by income must immediately report any changes to their sponsor.

After July 1, 2017, sponsors should begin to include the income eligibility application and household letter (front and back) in your enrollment packet for new enrollees. Applications on file that are not expired must be updated by comparing and, if necessary, re-categorizing them with the enclosed FY 2017-2018 Income Guidelines. A sponsor may choose to distribute the new income eligibility applications to all children enrolled even though the form on file has not expired. Collecting new income eligibility applications for every enrolled participant in July can simplify recordkeeping. Remember that all income eligibility applications must be completed every 12 calendar months (Example: A form signed July 1, 2017 (by the sponsor) will expire July 31, 2018).

Income eligibility application forms and household letters are to be copied as needed and are available on the Ohio Department of Education (ODE) website, www.education.ohio.gov. Please remember that the confidentiality of participant eligibility must be protected and that information can only be released for those purposes permitted by federal laws. If you have questions or require additional assistance, please call our ODE customer service at 614-466-2945 or toll free at 800-808-6325.

**OHIO CHILD AND ADULT CARE FOOD PROGRAM
FAMILY DAY CARE HOMES COMPONENT
SPONSOR INSTRUCTIONS FOR INCOME ELIGIBILITY APPLICATION**

**FY 2017 - 2018 Fiscal Year
Effective July 1, 2017 through June 30, 2018**

PURPOSE:

The Child and Adult Care Food Program (CACFP) recognizes the relationship between food and good nutrition and the capacity of children to develop and learn. CACFP reimbursement assists providers participating in the program to provide children with well-balanced, nutritious meals and snacks. Two meal rate categories of Tier I (highest) and Tier II (lowest), have been established to direct greater assistance to providers serving the neediest children.

DISTRIBUTION OF INCOME ELIGIBILITY APPLICATION for TIER I PROVIDERS

There are three ways for a provider to qualify for the higher Tier I rates: using school free or reduced data, census tract data, or household size and income. Provider may qualify using income guidelines or by listing a valid Ohio Works First (OWF), Food Assistance (formerly food stamps), or Women, Infants and Children (WIC) case number on the income eligibility application.

To qualify for Tier I reimbursement by **income**, or if you are a Tier I provider and wish to receive reimbursement for meals served to your own children under the U.S. Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP), you must complete, sign and return to the Family Day Care Home (FDCH) sponsor an income eligibility application. In addition, you must include proof of income or program benefits.

DISTRIBUTION OF INCOME ELIGIBILITY APPLICATION for TIER II PROVIDERS

When receiving CACFP assistance, Tier II providers must choose to either collect family size and income data for all members of the household or Food Assistance, Ohio Works First (OWF) or Women, Infants and Children (WIC) case numbers from families of enrolled children OR not to collect this information. If the choice is made not to collect the information, the provider will automatically receive the reimbursement rate established for the Tier II (lowest) reimbursement for all enrolled children. If the choice is made to collect the information, the provider must give the Ohio CACFP income eligibility application for free and reduced-price meals and household letter to the family of each enrolled child. Parents/guardians can complete the optional application. In order for any child to be claimed for Tier I benefits, the sponsor must have a completed application containing all required information on file. Any family whose income is above the reduced-price guidelines is not required to return a completed application.

CACFP sponsors/providers cannot require parents/guardians to complete the income eligibility application. However, the CACFP sponsor/provider must provide the form to all families for the Tier II provider to be potentially eligible for Tier I reimbursement rates for all of the enrolled children in their care. If parents choose not to complete and return the application, the provider will be reimbursed at the Tier II rate.

CATEGORIZING INCOME ELIGIBILITY FORMS AS FREE, REDUCED OR PAID:

Free or reduced forms are qualified by having parents or guardians complete PARTS 1, 2, 3 and 4 or PARTS 1, 2, and 4 of the Ohio CACFP eligibility application for free and reduced price meals. The asterisks (*) on the form indicate information that must be completed.

PART 1: CHECK Application Type

Select one of the four options.

PART 2: Child Information

Name/Age/Birth Date - List only the child(ren) enrolled for care with the provider. Including age and birth date information is optional.

Foster Children – Check box if listed enrolled child is a foster child. A foster child is defined as one whose care and placement is the responsibility of the state or that the foster child has been placed with a caretaker household by a court. A foster child is the legal responsibility of a welfare agency or court. For purposes of categorical eligibility for free meals, informal arrangements that may exist outside of state or court-based systems are not applicable regarding foster children.

Foster children are categorically eligible for free meals by two options.

- Option 1 – Income Eligibility Application: Part 1 (name and foster child designation) and Part 4 (signature of adult member of foster home or state welfare agency and date) must be completed.

Foster children no longer have to be listed on a separate Income Eligibility Application. Households with foster and non-foster children may choose to include the foster child as a household member, as well as any personal income earned by the foster child, on the same income eligibility application that includes their non-foster children. The sponsor would categorize the foster child as free and then make an eligibility determination for the remainder of the children based on the household's income (including personal income earned by the foster child) or other categorical eligibility information (food assistance or OWF case numbers) reported on the application. Foster payments received by the foster family from the placing agency are not considered income and do not need to be reported. Please note that the presence of a foster child does not convey eligibility for free meals to all children in the household.

- Option 2 – Certification for free meals without income eligibility application: Sponsor to obtain documentation (such as a certificate or letter) from an appropriate state or local agency indicating the status of the child as a foster child whose care and placement is the responsibility of the state or that the foster child has been placed with a caretaker household by a court. Certification documentation is to be kept on file in lieu of application.

Households Receiving Food Assistance, Ohio Works First or Women, Infants and Children

Food Assistance - A household receiving food Assistance (formerly food stamps) need only provide the current 10 to 12-digit case number and the signature of an adult member of the household and date in Part 4. A child qualifying in this manner must be a member of the food assistance household. The child is then approved in the free category.

Ohio Works First (OWF) - The OWF 10 to 12-digit case number of the enrolled child and the signature of an adult household member and date in Part 4 are required. The child is then approved in the free category.

Women, Infants and Children (WIC) - The WIC 10-digit case number of the enrolled child and the signature of an adult household member and date in Part 4 are required. The child is then approved in the free category.

NOTE: The case number or identification number on county payment rosters or vouchers may not be food assistance or OWF case numbers. It is recommended that sponsors contact their county Job & Family Services specialist to determine the validity of food assistance or OWF case numbers.

PART 3: Total Household Size, Total Household Gross Income/How Often It Was Received

Household Size - List the names of all household members including all children who attend the center, whether or not they receive income. If additional space is needed to list all household members, attach an additional document. Household is defined as a group of related or unrelated individuals who are not residents of an institution or boarding house, but who are living as one economic unit. As one economic unit, they would share housing and/or significant income and expenses of its members. Generally, individuals residing in the same house are one economic unit. However, if more than one economic unit resides together in the same house, they are usually characterized by prorating expenses and having economic independence from one another.

Household Size Special Situations:

- **Adopted child:** An adopted child is one for whom a household has accepted legal responsibility and is considered to be a member of the household.
- **Child attending an institution:** A child who attends but does not reside in an institution is considered a member of the household in which he/she resides.
- **Child away at school:** A child who is temporarily away at school (e.g. boarding school or college) should be counted as a member of the household.
- **Child living with one parent, relative or friends:** in cases where no specific welfare agency or court is legally responsible for the child or where the child is living with one parent, other relatives or friends of the family, the child is considered to be a member of the household with whom he/she resides.
- **Children of parent who are foster parents:** When foster parents apply for benefits for their own children, they may choose to include foster children as household members as well as any personal income earned by the foster child. Additionally, the payments provided for the care of the foster child should be excluded as income to the household.
- **Family members living apart:** Family members living apart on a temporary basis are considered household members. Family members living away from the household for an extended period of time are not considered members of the household for purposes of

determining eligibility. Any money made available by family members living outside of the household, or on their behalf for the household, is included as income to the household.

- Institutionalized family members: An institutionalized spouse or other member of the household away for extended periods should not be considered a member of the household.
- Joint custody: In cases where joint custody has been awarded, and the child physically changes residence, the child is part of the household where he/she resides. Therefore, the child's eligibility could change depending on the rotating time periods of each household.

No/Zero Income – For each household member listed (including children), check box if that person has no/zero income. If additional space is needed to list all household members, attach an additional sheet of paper.

Household Income and How Often It Was Received – If a valid food assistance, OWF, or WIC case number is not entered in Part 2, households must report their current gross income on Part 3 of the application for free or reduced-price meal eligibility. For each household member, list each type of income received during the last month prior to application and list how often the money was received (weekly, every other week, twice a month, monthly, yearly). Income is defined as any money received on a recurring basis, including gross earned income (unless specifically excluded by legislation). Gross earned income means all money earned before deductions such as income taxes, employee's social security taxes, insurance premiums and bonds. If income during this month is higher or lower than usual, and does not accurately represent the household's actual circumstances, the household may project its annual rate of income based conversions noted below.

When households have multiple sources of income paid on different schedules, the following income conversions must be used: weekly income X 52, bi-weekly (every other week) income X 26, bi-monthly (twice a month) income X 24, and monthly income X 12. If household member normally gets overtime, include it, but not if overtime is earned occasionally.

Income and how often it was received must be reported in these designated columns:

- | | |
|----------|--|
| Column 1 | <u>Work Earnings</u> : Wages, salaries, tips, and commissions. Self-employed individuals should report income after expenses (net income). |
| Column 2 | <u>Welfare payments/child support/alimony</u> : Public assistance payments, welfare payments, alimony, and child support payments. Food assistance benefits should not be reported. |
| Column 3 | <u>Pensions/retirement/social security/Supplemental Security Income (SSI)/Veterans' (VA)</u> : Pensions, retirement income, Social Security, SSI, VA payments, and disability payments. |
| Column 4 | <u>All other income</u> : Worker's Compensation, strike benefits, unemployment compensation, regular contributions from people who do not live in your household, cash from savings, interest/dividends, income from estates/trusts/investments, net royalties/annuities, business, farm or rental property, and any other money that may be available to the family. Do not include food assistance payments or Federal education benefits. |

Income Exclusions:

- Foster children: Payments received by household for a foster child.

- Student financial assistance: Provided for the costs of attendance at an educational institution, such as grants and scholarships awarded to meet educational expenses.
- Loans: Such as bank loans, since these funds are only temporarily available and must be repaid.
- In-kind compensation value: Such as military on-base housing or any other noncash benefit.
- Occasional earnings: Received on an irregular basis and not recurring. Examples include occasional babysitting, mowing lawns, and tax refunds.
- Federal programs which are excluded by legislation: Including the value of assistance to children and their families under the National School Lunch Act, the Child Nutrition Act of 1966, and the Food Stamp Act of 1977.

Household Income Special Situations:

- Alimony and child support: Any money received by a household in the form of alimony or child support is considered income by the receiving household. However, any money paid out for alimony or child support may not be deducted from a household's reported gross income.
- Child's income: The earnings of a child who is a full-time or regular part-time employee must be listed on the application as income. However, occasional earnings such as income from occasional babysitting or mowing lawns should not be listed on the application as income.
- Garnished wages and bankruptcy: Income is the gross income received by a household before deduction. In the case of garnished wages and income ordered to be used in a specified manner, the total gross income must be considered regardless of whatever portions are garnished or used to pay creditors.
- Lump sum payments: Lump sum payments or large cash settlements are not counted as income since they are not received on a regular basis. These funds may be provided as compensation for a loss that must be replaced, such as an insurance settlement. When lump sum payments are put into a savings account and the household regularly draws from the account for living expenses, the amount withdrawn is counted as income.
- Military benefits: If housing is part of the Military Housing Privatization Initiative and Family Subsistence Supplemental Allowance is received, do not include these as income when determining household eligibility for free and reduced-price meals. This income exclusion is not an allowable exclusion for households living off base in the general commercial/private real estate market. "Privatized housing" refers to the Military Housing Privatization Initiative, which puts the operation of military-owned housing under private contractor and a housing allowance would appear on the leave and earnings statement of service members living in privatized housing. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household can be counted as income to the household. Combat pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in gross income.

PART 4: Signature and Last Four Digits of Social Security Number - An adult member of the household must sign his/her name and date the form. If the adult does not have a social security number, check the box marked, "I do not have a Social Security Number." The last four digits of the social security number are not required if a food assistance, OWF or WIC case number has been listed in Part 2, or in the case of a student under the age of 21 who lives alone (emancipated student), or when an individual under 21 signs the application as the parent,

guardian, or oldest member of a child's household. The last four digits of the social security number are required only when the monthly household income is used to determine eligibility category. The sponsor must compare income for the household size to the 2017-2018 income eligibility guidelines for free and reduced-price meals on page 10 to determine the meal eligibility category.

PART 5: Racial/Ethnic Identity - The civil rights question on Part 5 of the income eligibility application for free and reduced-price meals is optional and need not be answered in order for the application to be considered complete. However, civil rights regulations do require CACFP sponsors of FDCH to maintain information about the racial/ethnic background of all enrolled children. If parents do not complete this section, providers must visually identify the racial/ethnic identity of the child. All sponsors must record this information annually. All income and racial/ethnic information is confidential and protected by law. Sponsors are to limit the use of this information to people directly connected with administering the CACFP. The racial/ethnic categories are defined as follows:

1. **American Indian or Alaska Native:** A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.
2. **Asian:** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand and Vietnam.
3. **Black or African American:** A person having origins in any of the black racial groups of Africa. Terms such as "Haitian" or "Negro" can be used in addition to "Black or African American."
4. **Native Hawaiian or Other Pacific Islander:** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
5. **White:** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.
6. **Other:** Determined by respondent.
7. **Ethnic Identities:** Check the box that best describes the child(ren).

Sponsor must complete the following section: The sponsor representative is to complete the bottom section of the form: Approved or Denied for Provider Tier 1, Residential child or Child Tier 1 section; Total household income (if applicable); total household size; signature, date categorized, effective date, and expiration date of form.

Per recent USDA Instructions, sponsors now have the flexibility concerning the effective date when approving income eligibility applications. This flexibility applies only to eligibility determinations made through the submission of completed income applications. The date to be used to make this determination may be either of the following options:

- Option A: Date on which the sponsor or center representative signs the form to certify eligibility/category of the child; OR
- Option B: Date the parent or guardian signed the income eligibility form.

For Fiscal Year 2018 (beginning October 1, 2017), CACFP sponsors will indicate their procedure for determining the effective date when approving income eligibility applications on the Claims Reimbursement and Reporting System (CRRS) application center management plan.

Effective Date:

- Option A. First day of the month in which the form was dated by the sponsor representative.
Example: The parent dated the form on July 9, 2017 and the sponsor representative dated/categorized the form on July 10, 2017. The form is effective July 1, 2017 and expires on July 31, 2018.
Example: The parent dated the form on July 31, 2017 and the sponsor representative dated/categorized the form on August 4, 2017. The form is effective August 1, 2017 and expires on August 31, 2018.
- Option B. The date the parent or guardian signed the income form.
Example: The parent dated the form on July 9, 2017 and the sponsor representative dated/categorized the form on July 10, 2017. The form is effective July 1, 2017 and expires on July 31, 2018.
Example: The parent dated the form on July 31, 2017 and the sponsor representative dated/categorized the form on August 4, 2017. The form is effective July 1, 2017 and expires on July 31, 2018.

Expiration Date: Income eligibility forms should be considered current and valid until the last day of the month in which the form was dated as categorized by the sponsor representative or date parent signed the application form one year previously. In other words, a form is valid for one year until the last day of the month in which the form was originally dated and categorized by the sponsor/center representative or dated by the parent guardian if that option was submitted to the state agency via the sponsor response form or entered on the Fiscal Year 2017 CRRS Center Management Plan.

OHIO POLICY: Regardless of the procedure used to determine eligibility effective date, the sponsor/center representative must complete the bottom section of the income form to be valid including signature, date and category. Failure of the sponsor/center representative to complete the bottom section of the income form will make the form incomplete and the child/participant could only be claimed as paid until the month the bottom section of the income form was completed by the sponsor/center representative.

UPDATING FORMS:

A new income eligibility application **must** be completed once every 12 calendar months in order for the Tier II provider to receive Tier I rates for eligible children or a provider to qualify for the higher Tier I rates. Keep expired forms on file; however, the form and its information are invalid after 12 months.

MAINTAINING RECORDS:

The income eligibility application must be kept by the sponsor for at least three years plus the current fiscal year, or longer if income forms are part of an unresolved audit.

INCOME ELIGIBILITY GUIDELINES:

Free and reduced income eligibility guidelines are updated by the Federal government on July 1 each year. Prior to completing the July claim for reimbursement, the sponsor must apply the new guidelines to current applications and re-categorize any application where necessary. **The guidelines effective July 1, 2017 through June 30, 2018 are noted on page 10. You must use this two-part chart and not the reduced-price guidelines on the household letter**

when categorizing and approving the income eligibility application for Tier I rates. Do not distribute this chart to parents/families.

HOUSEHOLD LETTER TO PARENTS/GUARDIANS:

Sponsors/providers must distribute a household letter to parents/guardians along with the income eligibility application for free and reduced-price meals. The letter must include the following:

1. Sponsors or providers distributing the income eligibility application for free and reduced-price meals must distribute a household letter describing CACFP benefits to the parents/guardians of enrolled children. This is not required of child care centers claiming all enrolled children in the paid income category.

2. Nondiscrimination statement: In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at:

http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

This institution is an equal opportunity provider.

3. Instructions to complete and submit application for free and reduced-price meals.
4. An explanation that an application must contain complete information to be considered eligible for free or reduced-price meals.
5. Space to signify a foster child.
6. A statement that children of parents or guardians who become unemployed are eligible for meal reimbursement during periods of unemployment provided the loss of income during this time causes the family to be within eligibility standards for meals.

NOTE: CACFP Regulation 226.23(e): The eligibility application and household letter given out to families of enrolled participants shall contain only the income levels for reduced price meal eligibility.

Ohio Child and Adult Care Food Program Family Day Care Homes Household Letter

(INSERT SPONSORING ORGANIZATIONS LETTERHEAD)

Dear Parent/Guardian:

This letter is intended for parents or guardians of children enrolled at a family day care home. [Name of day care home] offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached income eligibility application.

1. Am I required to complete an income eligibility application in order for my child (ren) to receive CACFP benefits? No, but if you choose to do so, your provider may receive a higher reimbursement for the meals served to your child. If you do complete the form, you have the option of returning it directly to your provider or to the provider's sponsor, [Sponsor's Name]. If you would like to provide your form directly to the sponsor, return the completed form to [(Sponsor) at name, address, phone number].

___ Initial here if you consent to allowing [Provider's Name] to collect your form and provide it to the sponsor. [Provider's Name] will not review your form.

2. Do I need to fill out an income eligibility application for each of my children in day care? You may complete and submit one CACFP income eligibility application for all children enrolled in child care in your household only if the children in child care are enrolled in the same home. We cannot approve a form that is incomplete. Please read the instructions carefully and complete all required information.

3. Who qualifies for the higher reimbursement without providing income information? Your provider will receive a higher reimbursement for meals served to foster children and children in households receiving food assistance program (formerly food stamps), Ohio Works First (OWF), or Food Distribution Program on Indian Reservations (FDPIR) benefits. Children in households participating in WIC also qualify for the higher reimbursement.

4. Who qualifies for the higher reimbursement based on income? Your provider may receive a higher reimbursement for the meals served to your children if your household income is within the reduced price limits on the Federal Income Chart shown on this application. Children in households participating in WIC are eligible for the higher reimbursement.

5. May I fill out a form if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the day care home.

6. Who should I include as members of my household? You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include any foster children living with you.

7. How do I report income information and changes in employment status? The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached income chart, the family day care home will receive a higher level of reimbursement. Once properly approved for the higher reimbursement rate, whether through income or by providing a current food assistance, OWF, FDPIR, or WIC case number, you will remain eligible for those benefits for 12 months. You should, however, notify us if you or someone in your household becomes unemployed and the loss of income unemployment causes your household income to be within the eligibility standards.

8. What if my income is not always the same? List the amount that you normally get. For example, if you normally receive \$1,000 each month, but you missed some work last month and only received \$900, note that you receive \$1,000 each month. If you normally get overtime, include it, but not if it is earned occasionally.

9. What if I have foster children? Foster children that are under the legal responsibility of a foster care agency or court automatically qualify for the higher reimbursement. Any foster child in the household qualifies regardless of income. Households may include foster children on the income eligibility application, but are not required to include payments received for the foster child as income. Households wishing to apply for such benefits for foster children should contact [name, address, and phone number].

10. We are in the military. Do we include our housing and supplemental allowances as income? If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age or disability. If you have other questions or need help, call [phone number].

Nondiscrimination statement: In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov. Ohio Child and Adult Care Food Program Family Day Care Homes Provider Letter

(INSERT SPONSORING ORGANIZATION LETTERHEAD)

Dear Provider:

To qualify for Tier I reimbursement, or if you wish to receive reimbursement for meals served to your own children under the U.S. Department of Agriculture's Child and Adult Care Food Program (CACFP), you must complete, sign and return to us the enclosed income eligibility application.

- 1. How do I qualify for the Tier I reimbursement for meals served to children enrolled in my home?** You must either (a) live in an area that is eligible based on economic need as determined by school enrollment or census data, or (b) establish economic need through the information provided on the enclosed income eligibility application.
- 2. Who determines my eligibility as a Tier I day care home?** Our office will determine your eligibility status. We use the information provided on the income eligibility application. Please complete and sign the form, report all household income (not only family day care home business income), and provide appropriate records of your income. **Return the completed form and other documentation to [name, address, phone number].**
- 3. What kind of records should I submit with my income eligibility application?** If you operated a family day care home business last year, attach a copy of your most recent tax return, including Schedule C. If your recent tax return and Schedule C is no longer indicative of your income, you may submit documentation of your current income and expenses. To do so, include payment statements for work and other forms of income. The documentation submitted must show the name of the person who received the income, the date it was received, how much was received, and how often it was received.
- 4. How do I get reimbursed for meals served to my own children?** You are required by law to complete this form if you wish to claim meals served to your own children. Even if you live in an area identified as one of economic need, or you have already been classified as a tier I home, you must complete this form. Our office may verify the income information you submit. Tier II providers are not eligible to claim their own children.
- 5. If I do not live in an area of economic need or don't want to submit the income eligibility application, what are my options for reimbursement?** You will receive lower rates of reimbursement for meals served to children enrolled in your family day care home.
- 6. Will the information I give be verified? Maybe. We may ask you to send written proof to verify the information submitted via the form. What if I disagree with the decision about the information I complete on this form?** You should talk to your sponsoring organization.
- 7. Who should I include as members of my household?** You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you.
- 8. How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached income chart, you will receive a higher level of reimbursement. Once properly approved for free or reduced-price benefits, whether through income or proof of benefits as supported by a current food assistance (formerly food stamp), Ohio Works First, or Food Distribution Program on Indian Reservations (FDPIR) case number, you will remain eligible for those benefits for a period not to exceed 12 months. However, notify us if you or someone in your household becomes unemployed and the loss of income during the period of unemployment causes your household income to be within the eligibility standards.
- 9. May I fill out a form if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens.
- 10. What if I have foster children?** Foster children are eligible for free meals regardless of their personal status or the income of the household with whom they reside. Households wishing to apply for such benefits for foster children should contact [name, address, and phone number]. Additionally, foster children may be included as members of the household for determining the eligibility of other children in the household for free and reduced-priced meals.
- 11. We are in the military. Do we include our housing allowance as income?** If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

In the operation of the CACFP, no person will be discriminated against because of race, color, national origin, sex, age or disability.

If you have other questions or need help, call [phone number].

Families with children eligible for school meals may be eligible for free low cost health coverage. For more information, please contact Healthy Start & Healthy Families at 1-800-324-8680 or www.state.oh.us/odjfs/ohp/bcps/hshf/index.stm Note: If you have an Ohio Medicaid Card, you already receive this coverage.

HOW TO COMPLETE THE OHIO CACFP FAMILY DAY CARE INCOME ELIGIBILITY APPLICATION

1. PART 1 – Mark the box that applies in PART 1. If marking box 4, enter the home care provider’s name in the space.

2. PART 2 – Enter the names of all children who will be claimed for meal reimbursement. If you are receiving benefits from programs such as food assistance, Ohio Works First (OWF) or Women, Infants and Children (WIC), enter the case number. PARENTS checking #4 in Part 1 and qualifying through other categorically eligible benefit programs enter the name for the benefit program and the case or identification number. The Family Child Care Sponsoring Organization may request additional documentation to verify participation.

3. PART 3 - Complete this part only if benefit name and case number in PART 2 are blank. Enter the names of all household members. A household is defined as a group of related or unrelated individuals who are living as one economic unit that share housing and/or significant income and expenses of its members. Income is any money received on a recurring basis, including gross earned income. Enter the gross income (amount before taxes are taken out) for the past month for each person with income. Monthly Income Conversion: Weekly x 52, Every two weeks x 26, Twice a Month x 24. Proof of income is required for providers qualifying for Tier I by application (attach the documents that support the income entries).

4. PART 5 – A household member (provider, when using income to determine Tier eligibility, parent or guardian) must sign and date the form. If PART 3 is completed, the last four digits of your social security number must be entered. If the adult does not have a social security number, check the box that indicates they do not have one. If a valid food assistance, Ohio Works First (OWF) or Women, Infants and Children (WIC) case number is listed in Part 2, a social security number is not required. Enter the address and phone number information. REMINDER: Please sign and date the form.

5. PART 6 – Complete the racial/ethnic, check the appropriate box. Parents/guardians are not required to complete this section.
