<td>need for the students for which the innovative service is designed.</td>
<td>demonstrated need for the students for which the innovative service is designed.</td>
<td>to the proposed innovative service.</td>
<td></td>
</tr>
<tr>
<td><strong>4. Criteria for Service</strong></td>
<td>Criteria for service is clearly aligned with the identification area the service is designed to meet. Evidence is provided to demonstrate how the criteria for service is not reasonably considered unduly restrictive for district students, including populations that are traditionally underrepresented in gifted education (minority or disadvantaged students, English learners, and students with disabilities).</td>
<td>Criteria for service is clearly aligned with the identification area the service is designed to meet. Evidence is provided to demonstrate how criteria is not reasonably considered unduly restrictive but the evidence does not provide specifics for how the criteria is not reasonably considered unduly restrictive to traditionally underrepresented populations in gifted education (minority or disadvantaged students, English learners, and students with disabilities).</td>
<td>Criteria for service is not clearly aligned with the identification area the service is designed to meet or the criteria is reasonably considered unduly restrictive to district students, including populations that are traditionally underrepresented in gifted education (minority or disadvantaged students, English learners, and students with disabilities).</td>
</tr>
<tr>
<td><strong>5. Description of how service will meet student needs</strong></td>
<td>Description provides evidence that the proposed service is a unique, sustained and challenging experience that extends, replaces, or enhances learning opportunities or provides social and emotional supports appropriate for the district’s students. The service is specifically designed for students underserved in the district or students from traditionally underrepresented populations in gifted education (minority or disadvantaged</td>
