Assumptions (if you need more rows, please email):							
OPERATING RECEIPTS							
State Foundation & Charges for Services - State foundation revenue assumptions are based on 96% of estimated enrollment numbers. For FY 2026 through FY 2029 we are utilizing the new funding model with FY 2027 being the last year of the six year phase-in. Beginning in FY 2024 we incorporated the additional funding that was included in HB 33 which includes high quality funds, a \$500 increase to facilities funding as well as the change to using 2022 data points to calculate base cost funding. We are assuming the following enrollment projections for FY 2026 through FY 2029. For out-of-state students we assume that we will receive \$8,000 in tuition.							
Fees - Includes charges for student fees and are projected to increase as enrollment increases. This line also includes estimates for student activities which are offset by matching estimated expenditures.							
Other - FY 2023 through FY 2025 includes miscellaneous revenues and refunds of prior year expenditures. FY 2026 includes \$500 in actual refunds of prior year expenditures and \$115 in actual miscellaneous receipts. Nothing is estimated for FY 2027-FY 2029.							
Other - Local Grant Funds - In FY 2023 we were awarded a Water Filling Station Grant and four \$5,000 Ohio School Learning Network grants. In FY 2024 we have been awarded five \$5,000 Ohio School Learning Network grants. We were also awarded \$4,000 from the Foundation for Appalachian Ohio. In FY 2025 we have been awarded three \$5,000 Ohio School Learning Network grants. For FY 2026 we have been awarded a \$174,000 Manufacturing Pathways grant from Battelle as well as two \$5,000 local grants for digital arts and a nature trail project. We have only budgeted for local grants that have been awarded. We do not assume that we will continue to receive local grant funds as these are awarded through a grant application and are not guaranteed in future years. Therefore FY 2027 through FY 2029 do not reflect local grant funds.							
Salaries and Wages - This line item accounts for the salaries of the entire faculty which includes teachers, classified staff and administration. Staffing levels for FY 2026 through FY 2029 include 5.00 educators, .5 intervention specialist, 1 family ambassador, .25 IT Technician, 1 secretary, 1 director/CEO, and 1 principal/CAO. Staffing levels FY 2027 through FY 2029 include 6.50 educators, 1 intervention specialist, 1 paraprofessional, 1 family ambassador, .25 IT Technician, 1 secretary, 1 director/CEO, and 1 principal/CAO. FY 2026 includes actual salaries and benefits paid through February 2026 and estimates for the remaining 4 months. We have a few time sheet employees whose salaries and benefits are estimated to the best of our ability. For FY 2027 and beyond we are assuming salaries will increase 3% each year. All salaries and wages are reflected in the purchased services line as a contract with the ESC of Central Ohio Council of Governments.							
Benefits - This category consists of mandatory contributions for retirement, Medicare, unemployment, and workers' compensation, as well as, health, dental and life insurance premiums. Employers are required to contribute 14% of payroll to the State Teachers Retirement System (STRS) and the School Employees Retirement System (SERS). Retirement cost increases are in direct correlation to salary and wage increases. All employees hired after April 1, 1986 are required to pay Medicare taxes. The employer is required to pay a matching 1.45% for Medicare for all salaries and wages for our employees. The Ohio Bureau of Workers' Compensation payments will continue to increase as wages paid increase. For FY 2025 we received an 11.7% increase in health premiums and a 0% increase in dental premiums. For FY 2026 we received a 7% increase in health premiums and a 0% increase in dental premiums. Beginning in FY 2027 and beyond we are assuming a 10% increase for both health and dental premiums each year which is consistent with current market trends. All benefit costs are reflected in the purchased services line as a contract with the ESC of Central Ohio Council of Governments.							
Purchased Services - This category accounts for fixed-item costs such as rent and property insurance. Other budgeted items in this area include professional/technical services, property services, leases, repairs/maintenance, college tuition, postage, legal fees, and staff development. We assume a 3% increase for inflation for most line items in this category.							
Supplies and Materials - This category accounts for instructional supplies, office supplies, library books, software, fuel, maintenance and custodial supplies, etc.
