The following elements must be included if using a district-created form instead of Form OP-06B: Date, Reporting Period, Postsecondary Goals, Transition Services/Activities, Summary of Outcome(s), and Status, and Summary of Current Status.

Progress on Transition Services/Activities must be provided to parents of a child with a disability at least as often as report cards are issued to all children. If the district provides interim reports to all children, the progress report must be provided to all parents of a child with a disability.
