

## Individuals with Disabilities Education Act (IDEA) Monitoring Professional Learning Community

# INVITATION TO PARTICIPATE

### START WITH THE “WHY”

This meeting will be a valuable tool for districts in building a continuous improvement process that is focused on improving outcomes for students with disabilities. Participants will have the opportunity to brainstorm ideas for improving special education programs and receive technical assistance and support from peer districts and state support teams.

### HOW IT WORKS

Districts and community schools who have recently completed an IDEA monitoring visit will share their experiences, including anticipated next steps, concerns and any documents that have been developed through the review process. There will be small group discussions facilitated by the Office for Exceptional Children's Supports and Monitoring Team.

### WHEN AND WHO

The meeting will be held on **August 3, 2022, from 8:30 to 12:30 p.m.** virtually through Microsoft Teams. It is highly recommended for districts who will be going through an IDEA Monitoring Review or any district interested in learning more about the special education monitoring process and what other districts are doing to improve their special education programs.

### HOW TO REGISTER

If you are interested, please register **no later than July 22, 2022**. Use the following link to submit your registration information:
