Free, online professional development through the Ohio Department of Education and Workforce's Learning Management System (LMS)

Through the Ohio Department of Education and Workforce's LMS, educators have access to **free courses and professional development opportunities**, available anytime and anywhere.

WHAT COURSES ARE AVAILABLE?

The LMS provides a variety of free courses and professional development on important state education initiatives. Featured courses include:

» Special Education Essentials & Beyond the Essentials
» Coaching for Self-Reflection and Instructional Change
» Assessment Literacy
» Positive Behavioral Interventions and Supports (PBIS)

For a full listing of current courses, click LMS Courses Chart.

WHO IS ELIGIBLE?

These professional development opportunities are available to any educator with an active Ohio, prekindergarten - 12, Department-issued license or permit or who has submitted an application for a State of Ohio education credential **and** fully set-up their OHID account*.

HOW DO EDUCATORS REGISTER?

To register and access these online courses, follow the three steps below.

1. Go to education.ohio.gov and select 'login' at the top of the homepage.
2. Sign with your OHID or MyOhio account.
3. Find and click on the Learning Management System application; no additional passwords are required.*

After opening the LMS application through your OHID account, use the **Course Catalog** link found on your LMS homepage to browse and register for courses. (Alternatively, you may also access your OHID account here.)

*If the learning management system application is not an available application in your OHID account and you have an active license or have submitted your application for a license,
