Ohio final submission date is 45 days from the last day of the month being claimed.

Schools and sponsors must ensure the claim is complete and correct and is generally to be entered no earlier than the first of the following month. ALL original and upward revisions must be submitted via the Claims Reimbursement and Reporting System (CRRS) online system to the Ohio Department of Education no later than 45 calendar days from the end of the reporting month.

Original and revised claims submitted online prior to the end of the 60th day will be processed for payment. If the 60th day falls on a weekend or federal holiday, claims submitted prior to the end of the next weekday will be processed for payment.

If you do not submit your claim by the deadline, you may request an exception to the deadline by contacting your assigned education program specialist. You will need to provide an explanation of the circumstances and may be required to provide a corrective action plan.
