The final submission date for Ohio claims is 45 days from the last day of the month being claimed. All original and revised claims must be submitted via the Claims Reimbursement and Reporting System (CRRS) to the Ohio Department of Education and Workforce within this 45-day window.

Claims submitted online before the 60th day will be processed for payment. If the 60th day falls on a weekend or federal holiday, claims submitted before the end of the next weekday will be processed.

If the deadline is missed, a One-Time Exception can be requested by contacting the assigned education program specialist. The circumstances must be explained, and a corrective action plan may be required. The One-Time Exception template and policy can be found in the CRRS under Applications, Download Forms.
