Dear Brigette Hires:

This letter is in response to the Ohio Department of Education and Workforce's (ODEW) December 4, 2025, request to waive National School Lunch Program (NSLP), School Breakfast Program (SBP), and Child and Adult Care Food Program (CACFP) requirements to allow school food authorities (SFAs) and institutions to offer non-congregate meals to participants fasting during Ramadan. Pursuant to Section 12(l) of the NSLA (42 U.S.C. 1760(l)), FNS approves ODEW's waiver request to allow SFAs and institutions to offer, to fasting participants in attendance during Ramadan, non-congregate meals for participants to consume at a time that honors their religious principles.

In its request, ODEW indicated that approval of this waiver would provide participants who observe Ramadan access to healthy and wholesome meals. FNS has determined that this waiver facilitates the purpose of the NSLP, SBP, and CACFP as participants are in attendance at a participating school or site and are eligible to receive meals but are unable to consume meals during the day because they are fasting in observance of Ramadan. Furthermore, the waiver ensures all children have access to the nutrition they need.

Specifically, ODEW requested a statewide waiver of the NSLP, SBP, and CACFP requirements explained below.

National School Lunch and School Breakfast Programs

Non-Congregate Meal Service (NSLP and SBP)

Under the NSLA, 42 U.S.C. 1753(b)(1)(A), and the Child Nutrition Act, 42 U.S.C. 1773(b)(1)(A), NSLP and SBP meals must be served in a congregate setting and must be consumed by participants on site.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNS waives the aforementioned requirements to serve meals through the NSLP and SBP in a congregate setting, to students who attend school and are fasting during Ramadan. Any other requirements referenced in these provisions remain in effect.

Meal Service Times (NSLP and SBP)

Under program regulations at 7 CFR 210.10(l) and 220.8(l), meals served in the NSLP and SBP must follow meal service time requirements.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNS waives, for non-congregate school lunches and breakfasts served to students who attend school and are fasting during Ramadan, the aforementioned requirements that set meal time parameters.

Offer Versus Serve (NSLP)

Under the NSLA, 42 U.S.C. 1758(a)(3), and program regulations at 7 CFR 210.10(e), Program operators of senior high schools (as defined by ODEW) must participate in offer versus serve at lunch.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNS waives the requirements to serve non-congregate school lunches using offer versus serve for senior high school students who attend school and are fasting during Ramadan.

Child and Adult Care Food Program

The waivers in this section apply to emergency shelters, adult day care centers, outside-school-hours care centers (OSHCC), and the at-risk afterschool care components of CACFP only. This statewide waiver does not apply to CACFP family day care homes or child care centers. However, per 7 CFR 226.3(e)(3), eligible service providers wishing to request waivers of the provisions in this section during Ramadan for use in either family day care homes or child care centers may submit a waiver for ODEW's concurrence, including rationale, and FNS will consider them on a case-by-case basis.

Non-Congregate Meal Service (CACFP)

Under the NSLA, 42 U.S.C. 1766(f)(1)(A), CACFP meals must be served in a congregate setting and must be consumed by participants on site.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNS waives the requirements to serve meals through the CACFP emergency shelters, adult day care centers, OSHCC, and at-risk afterschool care component in a congregate setting, to participants who are in attendance at emergency shelters, adult day care centers, OSHCC, and at-risk afterschool care centers and fasting during Ramadan. Any other requirements referenced in these provisions remain in effect.

Meal Service Times (CACFP)

Under Program regulations at 7 CFR 226.20(k), meals served in the CACFP must follow meal service time requirements.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNS waives, for non-congregate meals served to participants who are in attendance at an emergency shelter, adult day care center, OSHCC, or at-risk afterschool care center and fasting during Ramadan, the aforementioned requirements that set meal time parameters for CACFP at-risk

emergency shelters, adult day care centers, OSHCC, and at-risk afterschool care centers. Any other requirements referenced in these provisions remain in effect.

Per ODEW's request, this waiver is effective February 17, 2026, through March 19, 2026. To maintain Program integrity and accountability of local operators, ODEW must work with SFAs and institutions operating under this waiver to ensure meals are distributed only to participants in attendance at the school or site on the day non-congregate meals are offered, and that duplicate meals are not distributed to any participant. In addition, participation in the child nutrition programs is at an eligible participant's discretion; therefore, if a participant chooses to consume a meal or snack during the day, schools or institutions may not deny a meal or snack because the participant is thought to be fasting during Ramadan.

The waiver authority at Section 12(l) of the NSLA requires FNS to review the performance of any State or Program operator that was granted a waiver. Therefore, by June 30, 2026, ODEW must provide to the FNS Midwest Regional Office (MWRO) a report quantifying the impact of the waiver as described below.

The report must include the following:

1. A description of how this waiver improved services for the Program participants;
2. A summary of benefits and challenges associated with this waiver;
3. The total number of Program operators (SFAs and institutions) utilizing this waiver; and,
4. A description of the outreach conducted to families and participants in impacted schools and sites.

If you have questions, please contact the FNS MWRO.

Sincerely,
