Access Code

You have been assigned an anonymous access code to ensure that we can identify the school in which you work and to ensure the survey is taken only once by each respondent. The code can only be used to identify a school, and not an individual. No demographic information that could be used to identify an individual will be reported or shared.

The effectiveness of the survey is dependent upon your honest completion. While you can submit the survey without completing all questions, we hope you will take the opportunity to share your views.

Thank you in advance for your time and all that you do to help children every day.
