### **REQUEST FOR EVALUATION**

I have discussed with this applicant the requirements to obtain and hold licensure, as well as the classroom responsibilities of a career-technical teacher as they pertain to the licensure area desired by this person. A review of this person's credentials will be conducted to determine whether the appropriate educational and work experience requirements have been met.

#### ITEM IV - EMPLOYMENT EXPERIENCE (Non-teaching)

Enter ALL employment experiences related to the licensure (teaching) area for which you are applying. Also, attach any industry licenses or credentials.

For each employer, submit material to document the work experience by either submitting an "Employment Verification" form (see last page) that has been completed and signed by the employer or a letter on the employer's stationery. Letters must include the following: 1) date, 2) dates of employment, 3) job title and duties.

When self-employment is listed, submit the following: 1) "Employment Verification" form (see last page) completed and signed by you (this signature MUST be notarized), 2) three reference letters from long-time customers that include the following: the current date, dates services were provided, a description of the services provided, 3) a letter from the business's accountant that verifies all of the following: the applicant was self-employed during the time span indicated on the CTE-36, the applicant's business was the one named on the CTE- 36, and the candidate

performed the skills/duties indicated on the "Employment Verification" form.
