

ISLLC Self-Assessment Tool

Instructions: This self-assessment is designed to provide a personal profile of your school leadership assets based on the ISLLC Standards for School Leaders. The ISLLC Self-Assessment Tool consists of 182 statements that describe the knowledge, dispositions, and performances contained within the ISLLC Standards for School Leaders. You are asked to respond to each statement by reflecting on what you have learned, what you believe and value, and what you are accomplishing as a school leader.

Read each knowledge, disposition, or performance statement carefully. Then check the box that indicates the extent to which the statement represents your practices during the past 10–12 months. In responding to each item:

- 1 represents **Little** extent
- 2 represents **Some** extent
- 3 represents **Sufficient** extent
- 4 represents **Exemplary** extent

Developing Your School Leadership Profile

Purposes:

To provide school leaders with the opportunity to examine their own school leadership practices with respect to the knowledge, dispositions, and performances contained within the ISLLC Standards for School Leaders.

This self-examination should lead to greater familiarity with the standards and provide a starting point to assist you in identifying potential areas of focus for professional development planning.

Directions:

1. Complete the self-assessment rating scale.
2. Check the box under the rating that applies. Be sure to check only one response/number for each item.
3. After completion, go back and add the ratings under each standard (1 through 6). To do so, add the scores within each standard, and divide by the total number of items within each standard. Fill in the average rating in the space provided at the end of each standard.
4. Complete a written reflection, indicating areas of needed emphasis, growth, and improvement, in the space provided at the end of this self-assessment.
5. In the space provided at the end of this self-assessment, generate four self-improvement goals to be undertaken during this degree program. Each goal is to include the following:
 - A goal statement and its relationship to one or more of the ISLLC Standards
 - Anticipated activities that will lead to the accomplishment of the goal
 - Evidence that will demonstrate attainment of the goal
 - Targeted date of completion for the goal
